VOLUME TIGHTLY BOUND

F L A S H - GREAT NEWS!!

'In the newspapers of Monday, May 7, 1962 appeared the great tidings that Mr. van der Ree, candidate No. 11 on the Democrat List (Dead Party) has requested the Democrat Party not to regard him as one of their candidates anymore. ANOTHER HAS TAKEN HIS DISMISSAL!!! Mr. Clive Peterson gave the signal and now like sheep they are all following. Indeed a wise action for it is plainly seen the Dead Party's last hour is at hand. TWO CANDIDATES HAVE LEFT THEM! WHO WILL BE NEXT??? There are whispers.

The Netherlands Antilles have been driven in bankruptcy by corrupt and irresponsible government. If the borrowed money had been spent only for the purposes and projects Holland meant it to be used for gladly the taxpayers would have paid it back. But this is not the case. Corrupt politicians are sucking the life's blood of our islands. In Saba, we have heard it exposed. In Curacao likewise. More will follow. Throughout the entire Antilles dissatisfaction reigns. In Curacao now is being fought out before the public's eyes a great conflict between the Gezaghenner of Curacao and Minister Isa. The Democrat Party is torn to pieces by conflicts in its own bosom.

Men of conscience leave the sinking ship before it is too late!! Leave the crew that has put the Antilles on the reef of bankruptcy, debts and disastreous government.

WINDWARD ISLANDERS SEE FOR YOURSELVES. DISHONESTY DOES NOT PAY. It brings doom and destruction. VOTE FOR THE WIPP and elect your THREE outstanding Windward Islands candidates H.I. LOPES, CH. E. W. VOGES and H.C. EVERY.

A strong Windward Island government guided by these intelligent and capable Windward Islanders is the aim of the Windward Isladers in the entire Netherlands Antilles.

Proud we are to congratulate Messrs. Clive Peterson and van der Ree on their wise decision. Daily victory becomes closer and clearer to see.

VICTORY FOR THE WIPP. VICTORY FOR HONESTY AND JUSTICE IN THE NAME OF EVERY FREEDOM LOVING WINDWARD ISLANDER IN THE NETHERLANDS ANTILLES.

LONG LIVE THE PEOPLE!

We would like however to say that the Caribair baseball team of Marigot has caused and upset in the 1962 baseball competition by first defeating Caterpillars of Philipsburg and then K.L.M. of Cul-de-Sac - And now the players of Caribair are saying that they will defeat Caterpillars when they clash today at the Sport field in Cul-de-Sac at 2:30 p.m.

For the abovementioned and other stories in the field of sports be sure to get your copy of the next issue of the Windward Islands' Opinion.
