A SERIOUS LOSS.

House and Contents Belonging to J. W. Kellum Burned at Fairbanks.

J. W. Kellum of Fairbanks, who was in the city Monday, reports the loss of his house and all its contents on Friday noon of the past week, and his friends are sympathizing with him.

Mr. Kellum states that while he and his wife were in the kitchen, the latter preparing the noon-day meal, the roof caught from the flue, which was apparently defective, caused more so on account of the extreme dry weather. The flames had been burning about ten minutes, he judged, before being discovered, with the result that, with the inadequate protection, the house and contents were destroyed.

The loss was about $600, with no insurance. Mr. Kellum, however, proposes to rebuild at once.

THE PEOPLE ALL

In Chorus Cried, Give Us Newbro's Herpicide.

This word of late has been in everyone's mouth, and many are wondering what the word signifies, though no one has yet been found, who will deny that NEWBRO'S HERPICIDE does the work. Well, for the information of thousands of people who like to know all about a good thing, we would say that HERPICIDE means, a destroyer or killer of "Herpes." Now "Herpes" is the family name of a disease caused by various vegetable parasites. A similar microbe causes dandruff, itching scalp, and falling hair; this is the microbe that NEWBRO'S HERPICIDE promptly destroys; after which the hair grows. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.
