THEY GROW HAIR

Certain Ingredients if Properly Combined, Stimulate Human Hair Growth.

Resorcin is one of the most effective germ destroyers ever discovered. Beta-naphthol is a most powerful, yet absolutely safe germicide and antiseptic, which prevents development of germ matter, and creates a clean, healthy condition.

Philocarpine, although not a coloring matter or dye, is an ingredient well established for its power to restore natural color to human hair.

Borax, because of its well-defined softening and cleansing properties, is most useful in the treatment of scalp and hair diseases. Glycerine acts as a stimulant to the hair bulbs, and has a soothing, healing and nourishing influence. Alcohol is indispensable in medicine because of its antiseptic, stimulating and preservative qualities.

Rexall "93" Hair Tonic is chiefly composed of these ingredients, which are compounded in a peculiar form and we believe it is the most effective remedy known to medical science for scalp and hair troubles generally. We personally guarantee it to eradicate dandruff and scalp irritations and to grow hair, even though the scalp in spots is bare of hair, providing of course there is life and vitality remaining in the hair roots.

We want everyone troubled with scalp disease, dandruff or loss of hair to try Rexall "93" Hair Tonic. If it does not remove dandruff and promote a growth of hair to the satisfaction of the user, we will without question or quibble return every cent paid us for it. This guarantee is printed on every package. It has effected most satisfactory results in 93 out of 100 cases where put to a practical test.

Rexall "93" Hair Tonic is entirely unlike and in every particular different from anything else we know of for the purpose for which it is recommended. We urge you to try it at our entire risk. Certainly we could offer no better guarantee. Two sizes, 50 cents and $1.00. Sold in Gainesville only at our store—The Rexall Store. J. W. McCollum & Co.

A very handsome Confederate monument has been erected in Live Oak. It was built on account of the reunion which is being held there. Capt. W. J. Hillman had it erected and paid for it out of his own pocket.

The Rollins College football eleven met the Winter Haven Greys on the Rollins gridiron last Saturday for the first real contest of the year. The game ended with Rollins scoring twenty-two to the visitors' nothing.

The cornerstone has been laid to the new Jewish Temple in Jacksonville. The dimensions proper of the building, without front steps, is fifty-seven by eighty-seven feet, rising fifty-two feet from the sidewalk to the top of the pediment.

Some of the merchants of St. Petersburg are talking of installing an electric plant of their own. They claim that the present cost of electric illumination is almost prohibitive, making the lighting of their stores in such a manner out of the question.

Mark Ogden, a well-known farmer of Spanish Fort, was killed Saturday night. It seems that he was driving a team along the road when the horses became frightened and backed the wagon into a ditch and Ogden, falling beneath the wagon, had his life crushed out.

OPENING A BIG SUCCESS.

Big Hyde Store Thronged With Women on the Opening Day.

The first, or opening day, of the fall showing of the Hyde Co., which occurred Thursday, was an event of much interest in Gainesville, as the women thronged the store from early morning until closing time searching for bargains, and viewing the magnificent display at this store.

There was much to interest the ladies upon this occasion, and they drank in the pretty things on display with the enthusiasm of a small boy taking in the sights of a menagarie—only it was a different kind of an enthusiasm. Down stairs there was plenty of fine things in dry goods—dress goods, silks, cotton goods, notions, etc., while on the second floor a feast of good things was in store for those who attended the opening.

Among the most noticeable of the many handsome things on display in the millinery department was an automobile bonnet, something of the very latest. This bonnet was of chamois skin, trimmed with black velvet and wings, and was admired by every lady visiting the place, whether interested in automobiles or not. Another great attraction was a large black velvet Neapolient, which was faced with gold and trimmed with a gorgeous willow plume. In fact, there were many creations new and unique, all of which commanded the attention of those who attended this grand opening.

The opening will continue today and tomorrow, and a cordial invitation is extended to all.

SUFFERING ENDED.

J. W. McCollum & Co. Sell the Remedy That Cured Stomach Trouble of 14 Years.

And best of all they guarantee it to cure you or money back. Read this:

"I have been a great sufferer for 14 years; everything I ate gave me heartburns. I have never been able to get anything that would give me any relief until a friend of mine insisted on my taking Mi-o-na. I took a 50-cent box and I believe I am entirely well."—F. M. Bryant, Newnan, Ga., June 5th.

Mi-o-na is not a nostrum; it is the prescription of a celebrated physician who is a specialist in stomach diseases.

One clever woman calls Mi-o-na the Sunshine Prescription because it changed her from a miserable, nervous dyspeptic into a bright, healthy, happy woman in a few weeks.

These little Mi-o-na tablets are surely wonder workers. They absolutely cure indigestion whether acute or chronic.

They stop belching, gas in stomach, and heaviness, in a few minutes. Distress after eating vanishes as if by magic when one or two little Mi-o-na tablets are swallowed.

Only 50 cents a box at leading druggists everywhere, and in Gainesville by J. W. McCollum & Co. Test sample free from Booth's Mi-o-na, Buffalo, N. Y.

DON'T EXPERIMENT

You Will Make No Mistake if You Follow This Advice.

Never neglect your kidneys.

If you have pain in the back, urinary disorders, dizziness and nervousness, it's time to act and no time to experiment. These are all symptoms of kidney trouble, and you should seek a remedy which is known to cure the kidneys.

Doan's Kidney Pills is the remedy to use. No need to experiment. It has cured many stubborn cases in this vicinity.

Can Gainesville residents demand further proof than that contained in the following testimonial?

Oscar Osterman, of Starke, Fla., says: "I give Doan's Kidney Pills my highest recommendation as they proved of more benefit to me than any other remedy I had previously used. I suffered from kidney trouble for some time. The kidney secretions were too frequent in passage and I was forced to arise from six to eight times during the night. I also had backache and was bothered by a pain through my loins. I finally procured Doan's Kidney Pills and they soon helped me. By the time I had taken the contents of two boxes, the backaches and pains entirely disappeared and the passages of the kidney secretions soon became regular. I now feel fifty per cent better than before in a long time."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

A Kitchen Martyr.

Even the kitchen can boast its martyrs. Chief among these was Vatel, the chief cook of Conde, who ran himself through the heart with a sword because the fish had not arrived in time for a banquet which his master was giving Louis XIV. Vatel's panegyric is to be found in the concluding volume of the "Almanach des Gourmands:" "So noble a death insures you, venerable shade, the most glorious immortality! You have proved that the fanaticism of honor can exist in the kitchen as well as in the camp, and that the spit and the saucepan have also their Catos and their Deciuses."
