MISS GUINN STILL LEADS IN NORTHERN

MISS ELLA JOLLY LEADS IN THE SOUTHERN SECTION.

Miss Addie Goode Makes Nice Jump and Goes to First Place This Morning.

Just one more week of the Great Co-Operative Contest, and that it is proving the biggest proposition that was ever started here is easily seen by the tremendous large votes that are being cast in all sections by the candidates. So many of them have been "banking up" for the last few days of the contest that it is impossible to tell what they have, for already they have sprung some surprises during the week, and in the Western Section there are three candidates now over the million mark.

Little Miss Gertrude Guinn of Hague is showing remarkable strength and retains the lead, with Miss Bryant second, Miss Barron third and Miss Ludwig fourth. In the Southern Section Miss Jolly retains first place, Miss Hattie English second and Miss Mabel McCredie third. In Gainesville Miss Addie Goode makes a jump and secures the first position, but she only leads Miss Beal by a small majority.

Commencing next Monday the vote will be counted daily and announced each morning in the paper. This change is made that such large numbers will not be banked up for the last count on Wednesday.

All votes will be taken up at 6 o'clock next Wednesday and nothing will be counted coming after that hour except mail matter that shows a stamp that it was mailed preceding this time.

DEATH OF GILES FOWLER.

Highly Esteemed Floridian Passes Away at Greenville.

News was received in Jacksonville yesterday of the death at Greenville, Fla., of Mr. Giles Fowler, the end coming at 11 o'clock yesterday morning. Mr. Fowler was 65 years of age and formerly lived in this city. He had been in the lumber business for twenty years past and was an extensive owner of property in Jacksonville. In this city Mr. Fowler was well-known and greatly esteemed for his many excellent qualities. Upright and honorable in all business matters, he was a warm friend and a man devoted to his family. He had avoided all political prominence, but was nevertheless faithful to every duty to his State and his death will be sincerely mourned.

Mr. Fowler left ten children, Miss Anna Fowler, Mrs. B. V. Page of Lyons, Ga., Mrs. J. A. Armstead of Greenville, Mrs. J. W. Walker of Ashburn, Ga., Mrs. J. F. Mixon and Mrs. M. M. Gay of Greenville, C. B. Fowler of Lochloosa, Fla., and Messrs. Z. V., W. J. and J. R. Fowler of Greenville.

The body of Mr. Fowler will be brought to Jacksonville this morning and the funeral will be held at 3:30 o'clock this afternoon.—Times-Union, 11th.

Mr. Fowler was for a number of years engaged in the sawmill business in this county, having his mills located in the eastern portion, but removed from that point to Lennon, in Levy county, where he remained in business with his son until they exhausted a large tract of timber.

S.S.S. THE CURE FOR SCROFULA

The usual symptoms of Scrofula are enlarged glands of the neck, sores and ulcers on the body, skin affections, catarrhal troubles, weak eyes, and general poor health. The inherited poison, transmitted through the blood, pollutes and weakens this fluid, and in place of its nutritive qualities fills the circulation with scrofulous matter, which saps the vitality of the entire system. Thousands of children, born with a scrofulous taint, have spent their childhood in constant physical suffering, and grown to manhood or womanhood handicapped by ill health and stunted growth, and perhaps later some disease of the bones or joints developed. S. S. S., given in their early life, would have prevented this. It would have cleansed and purified the blood of the taint, nourished and stengthened their systems, and assisted each to grow into strong, healthful manhood or womanhood. S. S. S. is the very best remedy for Scrofula. It goes down to the bottom of the trouble, and cleanses the circulation of all scrofulous matter. It supplies the weak, diseased blood with strength and health-building qualities, and under the purifying effects of this great remedy all symptoms of Scrofula pass away. S. S. S. contains no minerals in any form, and is an absolutely safe treatment for children, even infants, or persons of any age. Literature about Scrofula and any medical advice free.
