ANOTHER FACTION NOMINATES TICKET

NEGROES WANT TO RUN S. J. BURNETT FOR MAYOR.

They Have Made Nominations for All Offices to Be Filled at the Coming Election.

The negro Citizen's League held an interesting meeting at Rising Sun hall on Friday evening, at which they nominated a full ticket for all of the offices to be filled at the coming municipal election.

Sam Cook was chosen chairman and James Carolina secretary. The nominating committee recommended the following ticket, which was ratified by the meeting:

Mayor, S. J. Burnett.
Marshal, C. C. Warren.
Clerk and Treasurer, J. M. Dell.
Tax Assessor, W. M. Bradford.
Tax Collector, T. B. Ellis.
Aldermen: E. E. Cannon, T. W. Shands, M. B. Saunders and R. B. Peeler.
Member Board Public Works, Dr. T. F. Thomas.

In the event that S. J. Burnett accepts the nomination for mayor, J. F. Bunch was named to fill his unexpired term as alderman.

This is another faction among the colored people and it is generally known that there are never less than two, if not more of these organizations. The solid vote of either would affect any contest and their votes will be eagerly sought for by the candidates who have opposition.

The Grand Event.

The great spring opening of fine millinery and ready-to-wear goods of the G. W. Hyde Company will occur Tuesday, Wednesday and Thursday of this week, accompanied with a great white goods and embroidery sale. It will probably be the greatest event of the kind ever known in this section. Thousands will visit the palatial store during this sale, for it is the event that all have been waiting for. Like the great grey hounds of the ocean, this merchandise place will set sail to surpass all previous efforts, and there is no question of success. Every energy will be put forth to make past efforts look like they were standing still as compared with the gigantic strides that this store will obtain every day from this time on. Watch the Hyde Company grow, and do not miss this week's notable event.

BAIRD IS TO BUILD IN THE EARLY FALL

BUSINESS HOUSES ON MASONIC AND EAST MAIN STREET.

Unless Demand Requires, Will Defer Work Until Above Time. Pickett Also to Build.

E. Baird, who owns the opera house and old Barnes property, is to build on the rear of these lots the coming fall, which will fill this block up all around with large and commodious buildings.

He has all along contemplated making these improvements since coming into possession of the property, but only recently has he decided just when he would have the work done, and now he is contemplating putting up one-story structures that can be added to as the demand requires.

Unless business conditions demand, he proposes not to make these improvements until the Government building is far advanced and business starts in that direction, but should he be successful in entering into contract with any one he will have the building or buildings erected to be ready just as soon as they are wanted.

H. A. Pickett, who also owns property in that section, is now contemplating building with brick at a very early date, and with the postoffice, land office, and U. S. court all in that section it is sure to start business off the square. No more valuable property is to be found than that leading to the public building.

BURKHIM'S PIANO CONTEST.

High School Makes Big Gain Over the Band.

The High Shool demonstrated their strength in the contest last week by passing the candidate for the band and now has a lead of 8,205. If the band boys desire to win this instrument they will certainly have to show some interest in the matter and not depend upon their candidate carrying the whole load.

Friends of the High School are now rallying to that institution, and it looks as if they would receive the piano, although the contest is young and you cannot tell just which way the handsome prize will fall.

Get busy, work for your choice, and remember that you get a vote on all bills paid, as well as all cash that is spent at this store.

Following is the tabulated score up to last night:

Miss Dorian Ellis (Band)	106,475
High School	114,680
Capt. Alvarez	73,805
Mamie Cannon	12,895
Sallie Beville	5,690
Miss Shands	3,490
Anita Groff, Newberry	2,400
Mary Fernandez	400
J. W. Gleason	175
Flossie Graves	125
Emma Lee Hudson	10

L. J. BURKHIM.

Prof. H. A. Howell, of Havana, Cuba, Recommends Chamberlain's Cough Remedy.

"As long ago as I can remember my mother was a faithful user and friend of Chamberlain's Cough Remedy, but never in my life have I realized its true value until now," writes Prof. H. A. Howell, of Howell's American School, Havana, Cuba. "On the night of February 3rd our baby was taken sick with a very severe cold; the next day was worse and the following night his condition was desperate. He could not lie down and it was necessary to have him in the arms every moment. Even then his breathing was difficult. I did not think he would live until morning. At last I thought of my mother's remedy, Chamberlain's Cough Remedy, which we gave, and it afforded prompt relief, and now three days later, he has fully recovered. Under the circumstances I would not hesitate a moment in saying that Chamberlain's Cough Remedy, and that only, saved the life of our dear little boy." For sale by all druggists.

EVERYONE NEEDS S.S.S. IN THE SPRING

This is just a short talk which we hope will be of interest and help to you in selecting the tonic and blood purifier that will be of the greatest value to you this Spring.

That this is the most trying of all seasons on the health is a fact well known to us all. It is the time of year when our constitutions are required to stand the greatest strain, and unless properly cared for the foundation is often laid for physical disorders or disease later on. The great majority of persons are fast coming to realize the importance of preventing disease. Health is our most valued possession, and its preservation is a matter which vitally concerns every one.

Most persons, even those who are ordinarily strong and robust, feel the necessity of a tonic and blood purifier at this season. Some have no particular ailment, but are weak, debilitated and run-down. The Winter life, with its decreased amount of out-door exercise, and the fact that the cold weather has kept the pores of the skin closed, prevented the usual necessary amount of refuse and waste matter from being carried out of the system. These impurities entering the circulation have weakened and thinned the blood, and this vital fluid is therefore lacking in the nourishing properties necessary to sustain and preserve systemic health, when warm, active Spring life begins.

The general bodily weakness, tired, worn-out feeling, fickle appetite, poor digestion, etc., show how weak and anaemic the blood has become. Frequently skin diseases, pimples, eruptions, boils, etc., break out on the skin, and this is evidence of the impurity of the circulation.

S. S. S. is the medicine needed to correct this condition, and is the only one on which you can rely to supply the system with the best tonic effects, and at the same time thoroughly purify the blood. The use of S. S. S. at this time may save you from a long spell of sickness, and it will certainly prepare you for the strain of the long, hot Summer. Many people have put off using a tonic until the system became so weakened it could not resist disease, and have paid for the neglect with a spell of fever, malaria, or some other trouble. S. S. S. is Nature's ideal tonic and blood purifier, made entirely of the pure extracts of healing, strengthening, health-giving roots and herbs. It tones up the stomach and digestion, rids one of that tired, worn-out feeling, improves the appetite and digestion, and in every way contributes to the strengthening and building up of the entire system. S. S. S. is recognized everywhere as the greatest of all blood purifiers, and this combined with its unequalled tonic properties, make it a medicine needed by every one in the Spring.

S. S. S. is for sale at all drug stores.
