REAL ESTATE ACTIVE OVER ENTIRE COUNTY

MANY CHANGES MADE DURING THE PAST SIX DAYS.

Gainesville Is Easily the Leader of Any City in the State on Progressive Business.

During the past week there have been over sixty real estate transfers in all sections of the county, which shows that the people are very active after Alachua county dirt.

There are few places in the State that can boast of the activity in business that Gainesville now possesses, and the coming year promises to excel all former efforts. Following are the changes:

NATURE TELLS YOU

As Many a Gainesville Reader Knows Too Well.

When the kidneys are sick,
Nature tells you all about it.
The urine is nature's calendar.
Infrequent or too frequent action.
Any urinary trouble tells of kidney ills.

Doan's Kidney Pills cure all kidney ills.

People in this vicinity testify to this.

Jos. Eckert, Thompson street, Starke, Fla., says: "I am very glad to recommend Doan's Kidney Pills as they proved of great benefit to me. The passages of the kidney secretions were irregular and when the secretions were allowed to stand they deposited a sediment. My back ached intensely and was very lame and sore, making it hard for me to stoop or lift. I could not rest well and mornings upon arising I was tired and worn out. I at length heard of Doan's Kidney Pills and deciding to give them a trial, I procured a box. This remedy effected a complete cure. The backaches and the lameness disappeared and my kidneys became normal."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Whooping Cough.

This is more dangerous disease than is generally presumed. It will be a surprise to many to learn that more deaths result from it than from scarlet fever. Pneumonia often results from it. Chamberlain's Cough Remedy has been used in many epidemics of whooping cough, and always with the best results. Delbert McKeig of Harlan, Iowa, says of it: "My boy took whooping cough when nine months old. He had it in the winter. I got a bottle of Chamberlain's Cough Remedy which proved good. I cannot recommend it too highly." For sale by all druggists.

The Alternative.

"If the window had been eight feet from the ground," pouted the young wife, "instead of eight stories, I'd have thrown myself out when you quarreled with me. Then you'd have had to be sweet to me when you picked me up. A lot of wives attempt suicide, they say, just to be petted when they come to."

"Yes," said he, "but sometimes they don't come to, remember."—New York Press.

Boys Will Be Boys

And are always getting scratches, cuts, sprains, bruises, bumps, burns or scalds. Don't neglect such things—they may result seriously if you do. Apply Ballard's Snow Liniment according to directions right away and it will relieve the pain and heal the trouble. Price 25c, 50c and $1.00. Sold by W. M. Johnson.

Positive Reasons.

The Minister—Mackintosh, why don't you come to church now? Mackintosh—For three reasons, sir. Firstly, I dinna like yer theology; secondly, I dinna like yer singin', and, thirdly, it was in your kirk I first met my wife.—Dundee Advertiser.

Many weak, nervous women have been restored to health by Foley's Kidney Remedy as it stimulates the kidneys so they will eliminate the waste matter from the blood. Impurities depress the nerves, causing nervous exhaustion and other ailments. Commence today and you will soon be well. Pleasant to take. J. W. McCollum & Co.

BASEBALL FEVER IS NOW WARMING UP

REAL CONTESTS BETWEEN CITIES SOON TO COME.

Other Places in State Have Organized and Teams Will Soon Enter Contests.

The baseball fever is now getting warm in all sections of the State and Manager Davis is not behind them as he has already selected the greater number of his slab artists for the season.

In speaking with the reporter yesterday he stated that it would be only a matter of a short while before he would have his men hard at work and they would do their best to prove the winning team this season.

Gainesville has always enjoyed the reputation of having the best club of the State and only one season in the past fifteen years has she been found wanting in the baseball line.

Now that "good old summer time" is on the people are getting anxious for this pleasant pastime, and we have the assurance of Mr. Davis that our expectations of a "cracker jack" organization will be realized.

It would be a capital idea for something to be done in the way of a minstrel or other performance to be gotten up as a benefit to assist the boys as a starter. A subscription is usually taken among the business firms, but a plan of this kind would prove a money-maker for the boys for it would gather considerable loose change that they would never get otherwise, and in this manner the business men would not be asked to contribute so liberally as heretofore.

HAD LOCK ARRESTED.

Henson Has Warrant Issued for Attempted Murder.

W. J. Lock of Wilcox, postmaster and merchant of that place, is among the visitors to the city, having come to answer to a warrant which was issued for his arrest.

Henson, the express messenger who shot him in the hand and arm a few weeks since and who was only recently released from custody in Jacksonville and afterwards released under bond for his appearance here at the next term of court, is the man that had the warrant issued charging him with attempted murder.

This case will doubtless prove a very interesting one, and will be watched with much interest.

NOTHING TO PAY

Hyomei Is Guaranteed to Cure Catarrh or Money Back.

When you suffer horribly from catarrh and are constantly sniffing and snuffing, hawking and spitting, and doing other disgusting things, remember there is a certain cure, called Hyomei (pronounced High-o-me), which is guaranteed to cure.

Hyomei will give joyful relief to any catarrh sufferer in five minutes and it gives remarkable relief to consumptives.

Hyomei is medicated air prepared from the extracts taken from the giant eucalyptus trees of inland Australia, where catarrh or consumption are never known.

You breathe in this healing and antiseptic air through an inhaler and this air, with its peculiar soothing properties, passing over the inflamed and germ-ridden membrane (for catarrh is a germ disease), kills the germ, allays the inflammation, and in a short time completely cures the disease.

A complete Hyomei outfit, which includes a hard rubber inhaler that will last a lifetime, and a bottle of Hyomei, costs only $1.00, extra bottle cost 50 cents. Sold by leading druggists everywhere and in Gainesville by J. W. McCollum & Co., who guarantee it on the money-back plan. plan.
