A Remarkable Memory.

Mr. W. P. Shettleworth of Evinston sent us a few days ago the roster of the Marion Dragoons, one of the companies made up in this county, and which enlisted early in the Civil War. This company served throughout the struggle in this State, participating in most of the Florida battles. The company was mustered out one hundred strong. Mr. Shettleworth sends us the name of every member of the company, and says that he can describe the color of every horse in the company and the position each one occupied when in line, and the possible age of each horse.

Mr. Macaulay gives some remarkable instances of good memories of certain historical characters, but we do not believe that he instances any more remarkable than that possessed by Mr. Shettleworth.—Ocala Banner.
