Capt. Edgell Here.

Capt. A. B. Edgell of Alachua was a welcome visitor to The Sun office yesterday. He is a native of Vermont, but has been a resident of this county for nearly forty years, and is what the natives term an "Old Timer." Capt. Edgell was for years the leading merchant of Old Newnansville in its palmy days, and is still engaged in business in that section, but only on a small scale—just enough to keep his mind occupied. He has not been North for eight years now, and says that he finds his Florida home much more comfortable in the summer time than it is in Vermont.

A Correction.

The Sun was misinformed Thursday when it stated that Mrs. Fielding, mother of Col. Thos. W. Fielding, had died at her home at Lake Butler. The lady, who is in her sixty-eighth year, was seriously ill, however, and her son was summoned to her bedside by telegram. He returned to the city last night, and reports that while she is still confined to her bed, the patient is considerably improved, and strong hopes are entertained for her recovery. This will be pleasing news to his many friends here and elsewhere.

Cordele Wins From Ocala.

In the ball game between the Ocala and Cordele, Ga., teams in the Brick City yesterday, the Georgia boys came out victorious by a score of 3 to 2. The game was largely attended and much interest shown by the local "rooters."

Hicks' CAPUDINE Cures Sick Headache
