INSTRUCTIONS TO VOTERS.

Notwithstanding that there is no opposition to the Democratic nominees, except for justice of the peace in this district, every Democrat should go to the polls next Tuesday and cast his vote for the party nominees. You may not have succeeded in having the candidate of your choice nominated, but as a participant in the primary you are in honor bound to support the successful candidates.

Be careful to place an X mark to the LEFT of the names as they appear on the ticket, and also the Constitutional Amendments. These amendments are submitted to the people in compliance with resolutions adopted by the last Democratic State Convention, and it behooves all Democrats to vote for them by placing an X mark opposite the word "Yes." If, however, you cannot conscientiously vote for them, place the X mark before the word "No."

No Time to Lose

You cannot afford to disregard the warnings of a weak and diseased heart and put off taking the prescription of the world's greatest authority on heart and nervous disorders—

Dr. Miles' Heart Cure.

If your heart palpitates, flutters, or you are short of breath, have smothering spells, pain in left side, shoulder or arm, you have heart trouble and are liable to drop dead any moment.

Major J. W. Woodcock, one of the best known oil operators in the country dropped dead from heart disease recently, at his home in Portland, Ind., while mowing his lawn.—*The Press.*

Mrs. M. A. Birdsall, Watkins, N. Y., whose portrait heads this advertisement, says: "I write this through gratitude for benefits I received from Dr. Miles' Heart Cure. I had palpitation of the heart, severe pains under the left shoulder, and my general health was miserable. A few bottles of Dr. Miles' Heart Cure cured me entirely.
