Mercury and Potash

ONLY SERVE AS A MASK FOR CONTAGIOUS BLOOD POISON

They hide its repulsive form, and this serpent disease, stupefied by these drugs, lies dormant until the effects have worn off or treatment is discontinued, when it breaks down the mask and becomes as full of life and venom as ever. Mercury and Potash may dry up the sores and eruptions, but at the same time they drive the poison back into the blood and system, where it feeds upon the tender tissues, membranes and nerves, finally breaking out in most disgusting sores and even destroying the flesh and bones.

Mercury and Potash cannot accomplish a radical and permanent cure. They have a palliative but not curative effect upon this treacherous snake-like disease. These drugs produce mercurial Rheumatism, destroy the teeth and corrode the membranes of the stomach and bowels, causing inflammation and dyspepsia, nervousness and general derangement of the system.

S. S. S. is a Specific for Contagious Blood Poison, and the only antidote for the peculiar virus that spreads so quickly throughout the system, corrupting the blood and infecting every organ and fibre of the body.

SSS S. S. S. destroys the serpent, and eliminates every atom of poison from the blood, it makes a thorough and radical cure of the disease, and at the same time builds up the general health. S. S. S. contains no minerals of any kind, but is a purely vegetable remedy and we offer $1,000 for proof to the contrary.

ANTHONY

While in a difficulty on the hand car as it came into Anthony Saturday afternoon, John Murray, colored, was knocked off, the car passing over his body with over a thousand pounds on it. This derailed the car. He is seriously hurt, but bids fair to get well.

Earl Boyd left this week for Owensboro, Ky.

We learn that Louis Miller, colored, was killed by a well caving in on him at Mr. Hail's, near Sparr, on Wednesday. He was dug out and interred on Thursday. Louis was a respectable negro and was well thought of.

Luther Marsh has bought Mr. Simmons' interest in the blacksmith shop and is now running the business.

Mr. Smoak, of Ocala, came out Wednesday to see Mr. Simmons, who is still very sick. Mr. Simmons' mother and Mrs. Simmons' sister, with her husband and two children, are visiting the family on account of sickness.

N. B. Plummer's father and sister, Mrs. Willis, of Levy county, have been visiting his family.

It is reported that H. S. Smith our efficient railroad agent, has been promoted to take the place of depot agent at Orlando. We shall be sorry to lose him.

There is plenty of rain in this section.

Jack Green, of Columbia county, looks natural walking around our burg shaking hands with his friends.

POISONING THE SYSTEM

It is through the bowels that the body is cleansed of impurities. Constipation keeps these poisons in the system, causing headache, dullness and melancholia at first, then unsightly eruptions and finally serious illness unless a remedy is applied. DeWitt's Little Early Risers prevent this trouble by stimulating the liver and promote easy, healthy action of the bowels. These little pills do not act violently, but by strengthening the bowels enable them to perform their own work. Never gripe or distress. Anti-Monopoly Drugstore.

CASSIA

Mr. Irvin Wellhouser, foreman of Hodges & O'Hara's pine log camp, was in our town last week in search of a crew of men to take down on Black Water Creek, near the Wekiva river. Mr. Wellhouser has just moved from Silver Springs hammock, where he has been logging since last winter. He reports a bright outlook for logging where he has just moved his camp.

REPULSIVE FEATURES,

Blackheads, pimples, greasy faces and muddy complexions, which are so common among women, especially girls at a certain age, destroying beauty, disfiguring and making repulsive, features which would otherwise appear attractive and refined, indicate that the liver is out of order. An occasional dose of Herbine will cleanse the bowels, regulate the liver and so establish a clear, healthy complexion. 50c. at Anti-Monopoly Drugstore.

OXFORD

Mr. Léon Griggs and Miss Lillie Smith, daughter of Ex-County Commissioner R. H. Smith, accompanied by Mr. J. E. Martin and Miss May Martin, quietly drove down to Leesburg last Friday and when they returned on Saturday Mr. and Mrs. Smith had a new son-in-law and Mr. and Mrs. Griggs found themselves the happy possessors of a charming daughter-in-law. This unexpected event explains the building of Mr. Griggs' new residence. The whole town united in extending congratulations and best wishes.

Times are a bit dull now, since the melon and cantaloupe crops are shipped. Our people are taking things easy and enjoying life. Quite a crowd is over at Lake Weir camping and fishing this week.

THE PERFECT LIVER MEDICINE

Mrs. M. A. Jolley, Noble, O. T., writes: "I have used Herbine for a number of years, and can cheerfully recommend it as the most perfect liver medicine, and the greatest blood purifier. It is a medicine of positive merit, and fully accomplishes all that is claimed for it." Malaria cannot find a lodgment in the system while the liver is in perfect order, for one of its functions is to prevent the absorption of fever-producing poisons. Herbine is a most efficient liver regulator. 50c. at Anti-Monopoly Drugstore.

BLITCHTON

Our community is in a flourishing condition.

Mrs. R. A. Sandifer was called, week before last, to the bedside of her dying mother at Williston, Mrs. Price, who passed away Saturday at 2 o'clock. Our community was saddened by her death.

Mr. J. A. Hadsock, of Early Bird, is in our burg on the sick list.

Mr. George Blitch, Jr., made Ocala a visit Saturday.

The ice cream supper given at the residence of Mrs. L. A. Carter last Friday night was a grand success.

Mrs. M. M. Hall, while riding along one day last week, was thrown from her seat and run over by the vehicle, but, strange to say, escaped uninjured.

The B. Y. P. U. meets next Sunday afternoon at 3:30 o'clock. The day afternoon at 3:30 o'clock. The subject is, "Growth." Everybody is cordially invited to be present.

SAVES A WOMAN'S LIFE

To have given up would have meant death for Mrs. Lois Cragg, of Dorchester, Mass. For years she had endured untold misery from a severe lung trouble and obstinate cough. "Often," she writes, "I could scarcely breathe and sometimes could not speak. All doctors and remedies failed till I used Dr. King's New Discovery for Consumption and was completely cured." Sufferers from Coughs, Colds, Throat and Lung Trouble need this grand remedy, for it never disappoints. Cure is guaranteed by Anti-Monopoly Drugstore. Price 50c. and $1. Trial bottles free.
