Jacksonville, Fla., July 29.—Partly cloudy tonight and Tuesday, with occasional showers and cooler Tuesday central portion. Frankenfield.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

In two days' time the child had fully recovered. The child is now vigorous and healthy. I have recommended this remedy frequently and have never known it to fail.—Mrs. Curtis Baker, Bookwalter, Ohio. SUCCEEDED WELL

The Epworth League of the Methodist church succeeded very well in their refreshment business at Mrs. Hick's old stand on the big excursion day, considering that there were so many other refreshment stands operating on that day. The League extends its heartiest thanks to all (and they are many) who contributed in work, donations and patronage to the success of the enterprise. We cannot state exactly how much money was cleared, as several outstanding bills, the amount of which is not yet known, are to be paid, but about $25 will be cleared, which is to be turned over to the church officials as another credit on the League's pledge of $100 this year to the church debt.

WHITE MAN TURNED YELLOW

Great consternation was felt by the friends of M. A. Hogarty of Lexington, Ky., when they saw he was turning yellow. His skin slowly changed color, also his eyes, and he suffered terribly. Then he was advised to try Electric Bitters, the wonderful Stomach and Liver remedy, and he writes: "After taking two bottles I was wholly cured." A trial proves its matchless merit for all Stomach, Liver and Kidney troubles. Only 25 cents. Sold by the Anti-Monopoly Drugstore.
