
THE KEEN KUTTER SAFETY RAZOR

Without Honing Without Stropping will enable you to shave a beard off very easily and smoothly; in fact, so smoothly as to make you think it is not shaving at all.

The *KEEN KUTTER* blade is thick enough to permit of a degree of temper and a keenness of edge which positively can not be secured in any thin, wafer-like, flexible blade.

The *KEEN KUTTER* **Safety Razor Outfit** consists of Triple Silver Plated Frame and Handle, and 12 Norwegian sharp steel blades.

our furniture marches right out of our store into the homes of the people of this city because we have always made the prices right. we make a profit on the furniture we sell, but we only make a fair profit. we don't believe in ashing high prices, but believe in making low prices and doing a big furniture business.

you need some things for the house, don't you? come and let us show you what we have got for you.

Thinks It Saved His Life.

Lester M. Nelson, of Naples, Maine, says in a recent letter. "I have used Dr. King's New Discovery many years, for coughs, and colds, and I think it saved my life. I have found it a reliable remedy for throat and lung complaints, and would no more be without a bottle than I would be without food." For nearly forty years New Discovery has stood at the head of throat and lung remedies. As a preventive of pneumonia, and healer of weak lungs it has no equal. Sold under guarantee by all druggists. 50c and $1.00. Trial bottle free.
