MARRIAGE AT LLOYD.

Popular Young Lady of Jefferson County Weds Mr. Moody, of Wakulla.

Lloyd, Fla., March 31.—Last Thursday, March 27th, at 11 o'clock a. m., Miss Annie Lee Simmons, of Wacissa, Jefferson county, and Mr. J. C. Moody, of Wakulla county, were married, Rev. W. J. Gray, of Waukeenah, officiating. The wedding was at the home of the bride's parents. The bride was dressed in pink albatross trimmed with white silk and white applique.

The decorations were in blue and white. Many relatives and friends were present. Immediately after the ceremony the bride and groom, her parents and the guests assembled in the yard and arranged themselves around two clusters of bride's wreath which were in full bloom and there had their pictures taken. Soon after refreshments were served and the bridal party left at 2 o'clock for their future home in Wakulla county.

The bride has been teaching in Wakulla county for a few years. She has friends there and in Jefferson county. She is a very nice young lady and generally liked. Mr. Moody is one of Wakulla's most popular young men. We wish them both a long and happy life.

Stop that Butchery!

No Knife Required.

Hemorroids, or piles, whether protruding, internal, bleeding, itching or blind, can be effectually, quickly and painlessly removed without surgery by using the greatest discovery of the century for the cure of this painful malady. We refer to Dr. A. B. Clark's Pile Remedy, now purchasable for the first time through the sole agents, the Clark Medical Co., Pittsburg, Pa., and costing for a complete treatment only One Dollar by mail, postage paid. So convinced is the doctor of the efficacy of his remedy in removing forever every vestige of this dread disease, that he has instructed his agents to refund the price paid in every case of failure. This gives the public a much needed protection as against certain remedies that have nothing to recommend them except price. A treatise on Hemorrhoids mailed to readers of this paper.

Foley's Honey and Tar contains no opiates, and will not constipate like nearly all other cough medicines. Refuse substitutes.

BILLY BOWLEGS IN TOWN.

Billy Bowlegs, the well known Seminole, arrived by the steamer Raeada from Bassinger on Saturday, to pay Mr. and Mrs. J. M. Wilson a friendly visit, leaving on Monday for Sanford. As usual, he was the object of marked attention as he stalked about the streets with the dignity of his race. He wore a shirt, brightly embroidered, with full sleeves, and tightly belted. Over his shirt a new blue serge vest, unbottoned. Round his neck the usual dozen or so of gaily coloured handkerchiefs. His legs were encased in buckskins, heavily fringed, and ending in moccasins. On his head was the Seminole turban, a double decked affair, bound with a band of beaten silver.

On Sunday he attended Sunday school and regular services at the Baptist church.

Billy talks broken English and writes fairly well, and is less reserved than most of the Seminoles. He reports that old Chief Tallahassee has gone blind, and has to be led about, and that old Rosalie, the chief's sister, is dead. The Cow Creek tribe has practically abandoned Indian Town, scattering some to the East Coast and some to the north near Cow Creek.—Kissimmee Gazette.

BETTER THAN PILLS.

The question has been asked, "In what way are Chamberlain's Stomach & Liver Tablets superior to pills?" Our answer is: They are easier and more pleasant to take, more mild and gentle in effect and more reliable as they can always be depended upon. Then they cleanse and invigorate the stomach and leave the bowels in a natural condition, while pills are more harsh in effect and their use is often followed by constipation. CATARRH

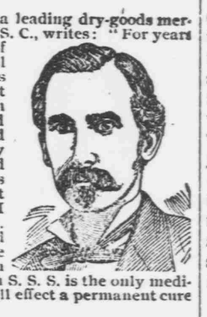
Catarrh has become such a common disease that a person entirely free from this disgusting complaint is seldom met with. It is customary to speak of Catarrh as nothing more serious than a bad cold, a simple inflammation of the nose and throat. It is, in fact, a complicated and very dangerous disease; if not at first, it very soon becomes so.

The blood is quickly contaminated by the foul secretions, and the poison through the general circulation is carried to all parts of the system.

Salves, washes and sprays are unsatisfactory and disappointing, because they do not reach the seat of the trouble. S. S. S. does. It cleanses the blood of the poison and eliminates from the system all catarrhal secretions, and thus cures thoroughly and permanently the worst cases.

Mr. T. A. Williams, a leading dry-goods merchant of Spartanburg, S. C., writes: "For years I had a severe case of nasal Catarrh, with all the disagreeable effects which belong to that disease, and which make life painful and unendurable. I used medicines prescribed by leading physicians and suggested by numbers of friends, but without getting any better. I then began to take S. S. S. It had the desired effect, and cured me after taking eighteen bottles. In my opinion S. S. S. is the only medicine now in use that will effect a permanent cure of Catarrh."



SSS is the only purely vegetable blood purifier known, and the greatest of all blood medicines and tonics.

If you have Catarrh don't wait until it becomes deep-seated and chronic, but begin at once the use of S. S. S., and send for our book on Blood and Skin Diseases and write our physicians about your case.

How to Become Wealthy.

In a New Hampshire city there dwells an octogenarian physician who in addition to his wide medical skill is known far and wide as a dispenser of blunt philosophy. The other day a young man of his acquaintance called at his office.

"I have not come for pills this time, doctor," said the visitor, "but for advice. You have lived many years in this world of toil and trouble and have had much experience. I am young, and I want you to tell me how to get rich."

The aged practitioner gazed through his glasses at the young man and in a deliberate tone said:

"Yes; I can tell you. You are young and can accomplish your object if you will. Your plan is this: First, be industrious and economical. Save as much as possible and spend as little. Pile up the dollars and put them at interest. If you follow out these instructions, by the time you reach my age you'll be rich as Crœsus and as mean as hades."—Buffalo Commercial.

The Finlanders.

No northern people are hardier or more spirited than the Finlanders, with their clear complexions and dark blue eyes. In spite of their harsh climate they have the most healthful living of perhaps any of the northern races and keep equal degrees of romance, daring and good feeling in their natures. You do not find imagination, force and adventure in a race without coarse, plenteous fare, pure air and cleanliness.

DID YOU KNOW THIS?

Do you know that a neglected cough or cold leads to consumption? More people die from the effects of catching cold than from any other known cause. There is one remedy, and remember it only costs 25 cents, that has proven a safe, unfailing cure for coughs and colds. It is called Gooch's Mexican Syrup. Your druggist has it or will get it for you. It heals and strengthens the lungs and breathing passages when nothing else you take seems to do you good; you had better get a bottle today and read the tesimonials on the wrapper.

THE SERENADERS' RECEPTION.

The old saying that "music hath charms to soothe the savage beast," may be true, but it does not include the sounds of inharmonious discord produced by some serenaders who make night hideous with their instruments.

The other night a gang of sports went out serenading. Some of them were "way up in G" in music, while others have beautiful voices for calling hogs. The gang stopped in front of a house to treat a young lady to a few of their beautiful selections. They started out on "Hello, Central, Give Me Heaven." Their melodious voices sounded like half a dozen calves suffering with cramp colic. There was a commotion in the upper window, and a gruff voice shouted, "Go 'way back and sit down!" But they didn't do anything of the kind. They started up a coon song. "Dem goo-goo eyes" followed.

The occupants of the upper story could stand it no longer. They wanted to give the gang something. Not having any bouquets in the house, they seized the next best thing. This was a large pail of water. The serenaders were murdering the young lady who "was bred in old Kentucky," when a just retribution overtook them. This was in the shape of a very wet shower bath. The reception was too much for "de gang," and as they scurried away like drowned rats, a brickbat struck the fence, as a warning for them not to come back.
