### Interesting Case Before Judge Bullock

The entire day Wednesday was taken up in Judge W. S. Bullock's court with the case of D. W. Davis, as agent, vs. Max Neuberger, in which the former sued for rent due on certain property in Ocala. It appears from the evidence that the rents had been paid, but not to the authorized agent of the plaintiff, hence the jury brought in a verdict for the latter in the sum of $180, less $20, which amount had been expended according to contract on repairs.

Mr. H. L. Anderson represented the plaintiff, while Messrs. R. A. Burford and R. B. Bullock defended the case.

Shortly after the jury had been sent to the jury room for deliberations that body sent a note to the judge asking who was responsible for the pay of the jurors. The judge promptly ordered that an amount sufficient to cover the pay of the jurors be deposited with the court, which was done by the plaintiff.

A very short time after the action of the court had been made known to the members of the jury the above verdict was returned.

A strike of a jury is a rare proceeding in this section. and their action Wednesday, which had a close resemblance to one, created quite a deal of comment.

### "The Campbells Are Coming."

The announcement is made that there will be preached a series of sermons on the Holy Spirit, by the Campbells, the last week in this month at the Christian church.

No subject of the Bible possible is so little understood, yet none could be more important, therefore these services will be highly appreciated.

The subject for the next Sunday morning sermon at this church will be the greatest sermon of the Bible. It is announced this early in the week because of its importance. Everybody should hear it. There will be no preaching at night.

### Golf Tournament at Magnolia Springs

The golf tournament for professionals at Magnolia Springs was not played Tuesday, as scheduled, on account of the wet condition of the course, and was postponed till Wednesday.

In the morning there was a sweepstake, in which three men, J. S. Pearson, of Ocala, Willie Anderson, the American champion, and George Low, tied for first place with scores of 75. In the play off, Pearson, in his anxiety to get a three, over ran the hole and required five strokes. Anderson and Low halved with fours and divided the money. Honeyman, the local professional, took 80, and Bernard Nicholls retired. G. Thompson went round in 77.

In speaking of the mid-winter state fair for Tampa the Tribune of Thursday says:

"Z. C. Chamobliss, of Ocala, the cattle king, who made such a splendid exhibit of live stock at the South Florida Fair, while inclining to the belief that a South Florida Fair would be preferable to a state fair, has enlisted, heart and soul, in the project, and said to a Tribune reporter that untold benefits would accrue to the entire state from the fair proposed."

Mrs. Maurice Strauss, of this city, and her mother-in-law, Mrs. Strauss, of Germany and Mrs. Dave Ottensosser, of New York, who has been spending the winter in Ocala with her brother and sister, Mr. and Mrs. Charles Peyser, have gone to Jacksonville. The former and the latter will go on a trip down the east coast after which Mrs. Ottensosser will go to her home and Mrs. Strauss and her mother will return here.

Mr. Jerry Burnett has purchased a portion of the old Magnolia hotel lot just south of the Tea Pot Grocery and will shortly erect thereon a brick building, the ground floor of which will be occupied by his tailoring establishment, which has outgrown the small quarters now being used next to the Masters store. This, with the Wallis building which will shortly be built just east of it, makes three new buildings on this block within a few months.

The friends of Prof. A. J. Foskett, who has for the past month been suffering with a cold in his eye, will regret to learn that he is still confined to his room. Prof. Foskett has suffered a great deal, and is grateful to the friends who have called and administered to him. He was a great deal better Sunday afternoon, but had a relapse, and has been in bed since Sunday night.—Gainesville Sun.

Mrs. R. B. Templeton and children and Miss Belle Caverhill, who have been spending the past month in Ocala, left Tuesday for Jacksonville, where they will remain for several weeks. They will then go to Missouri, where Rev. Mr. Templeton has accepted an important pastorate in the Methodist conference. These ladies made many friends while in our city who regretted very much to see them leave.

Mrs. C. P. Rogers, of Lexington, Ky., returned to Ocala Tuesday afternoon from Valdosta and will remain here with the children of her sister, Mrs. J. B. Staten, until the latter returns from Valdosta. Mrs. Staten was called there on account of an accident to her brother, who was quite badly hurt in a runaway accident. Mrs. Rogers was accompanied home by her young nephew, John Staten.

After a visit of about ten days to her brother, Albert Weber, in North Gainesville, Miss Martha Weber of Port Chester, N, Y., has gone to Ocala. After a brief stay there she will take the delightful Ocklawaha trip, which is said to be among the most weird, as well as the most romantic trips of the kind in the world. —Gainesville Sun.

Mr. W. E. Fosnot and Mr. Saxon were up from Lake Weir yesterday and Homosassa was represented by Mr. J. J. Williams, of the Williams Fish Company.

New York, March 16.—Wholesale prosecution of Mormons on the charge of polygamy have begun at Raymond Alberta, one of the northwest territories, which has been made in a province, according to a Tribune special from Winnipeg. The mounted police have taken up the campaign against the Mormons, who number several thousand, having moved from the United States in the last five years.

The first action was taken against a well known resident of Magrath who recently brought two wives from the United States, whom he is said to have married in Utah. He declared he was not living in a polygamous state, but was given his choice of leaving the country or being prosecuted.

Similar notices have been served on many others known to have more than one wife.

Mrs. Rounds was approached by Raymond, who wanted to advertise her property for sale. She recognized the man as one to whom she paid $4.85 two months ago. She attacked him with an umbrella and prevented him from escaping. The police found in the man's possession leters from firms and a list of more than 800 supposed victims. There also was a note signed "Miss Agnes Bransky, Winona, Minn.," accusing the man of swindling the writer and taking her watch, ring and other jewelry.

Mrs. T. R. Babb and infant son, of Atlanta, are the guests of their cousins, Mr. and Mrs. Ernest McGahagin. Mrs. Babb will be very pleasantly remembered here as Miss Willie Gartrell and for a number of years she was a compositor for the Ocala Weekly Banner.

There is a petition being circulated among the citizens of Ocala, Homosassa and intermediate points, addressed to W. J. Craig, division passenger agent of the Atlantic Coast Line, asking for a Sunday train to be run from Ocala to Homosassa.

Mr. Charles L. Fildes, of Jacksonville, was a prominent visitor to Ocala Wednesday. He was here to make arrangements about his lecture "The Florida Politician," which he expects to give in Ocala at an early date. Mr. Fildes has a number of friends in this city, who are always glad to see him.

Mr. H. D. Bassett, superintendent of the Bradley Brothers' phosphate mines at Floral City, was among the prominent visitors in the city Wednesday and made the Banner office a pleasant call. He reports business of all kinds in Citrus county on the upgrade.

**TORMENTING RHEUMATISM**

Columbus, Ohio, May 20, 1903.

Six years ago I had a severe attack of Inflammatory Rheumatism. I was laid up in bed for six months, and the doctors I had did me no good. They changed medicines every week and nothing they prescribed seemed to help me. Finally I began the use of S. S. S. My knee and elbow joints were swollen terribly, and at one time my joints were so swollen and painful that I could not close them when opened. I was so bad that I could not move knee or foot. I was getting discouraged, you may be sure, when I began S. S. S., but as I saw it was helping me I continued it, and to-day I am a sound well man and have never had a return of the disease. S. S. S. purified my blood and cured me of this severe case of Rheumatism after everything else had failed. I have recommended it to others with good results. R. H. CHAPMAN.

1355 Mt. Vernon Ave.

The poisonous acids that produce the inflammation and pain are absorbed into the blood and Rheumatism can never be conquered till these are neutralized and filtered out of the blood and system. S. S. S. goes directly into the circulation and attacks the disease itself. It purifies and restores the blood to a healthy, vigorous condition. It contains no potash, alkali or other strong minerals, but is guaranteed entirely vegetable. Write us and our physicians will advise without any charge whatever. Our book on Rheumatism sent free.

Growing Good Watermelons Next Year

**FROM EDEN SEED?**

If so I can help you start right by supplying seed at a reasonable price.

Last spring the ravages of rats forced me to plant my watermelon crop three times before a stand was secured. Consequently my melons ripened too late for profitable shipment, and instead of allowing them to decay I saved seed in the following painstaking manner from perfectly shaped, sized and ripened selected market melons, the first on live vines:

Both ends of each melon were cut off and thrown away, the melon split and the perfectly matured seed taken from the center and dried with special care. No seed were saved from rejected or decayed melons.

I guarantee these seed to be strictly first-class as good as have ever been grown. I will plant my next year's crop from seed in the same box from which I will sell to my customers.

As I have only 1,000 pounds on hand the sooner orders are sent in the surer they will be filled.

Price 50 cents per pound, cash. As to my responsibility I refer to any mercantile agency or responsible business concern.
