Not "How Much?"

The old saying that "a man is judged by the candy he gives" holds good today same as always. Buy the best—don't take the "just as good" kind.

AN OLD TIMER COMES BACK

Mr. E. L. Vaughn has bought out the City Bakery, located south of the city market and took charge this morning. Mr. Vaughn is an old-time Ocala citizen. He came to Ocala in 1876, via the Oklawaha river before there was a railroad here, and opened a bakery in a building long since burned that stood where Schlemmer's bakery now stands. He baked the first bread of commerce in the city, and his first customer was Mrs. Steel, who conducted the old Magnolia Hotel that stood where Clark Bros'. O. K. Grocery is now located, which was burned eight years ago, and one of the few wooden buildings that escaped the fire of twenty years ago. He was in the bakery business in this city for twenty years, moving later to an old building where the Commercial Bank now stands. In 1896, then doing business where the Wolff & Heintz bakery now stands, Mr. Vaughn sold out to Mr. Hafele, who in turn sold the business to Mr. Wolff. Mr. Vaugn lost over $10,000 by the great freeze and soon afterwards moved away and for a number of years rambled over the United States baking in some of the principal cities, especially for the big hotels, where his services were always in demand. His grove was located out on the Silver Springs road, and it was at this place, where his father-in-law, Charles Schaeffer, was held up and murdered. Mr. Vaughn has been on the old place again for several years trucking and bringing out a young grove and is now back in harness and proposes to give the people of Ocala an up-to-date bakery and some of the best bread and other bakers' products they have ever seen. Mr. Hornberger will be with him in the bakery. Mr. Vaughn thoroughly understands the business and has been most successful in his line.

He said he wasn't scared, but just had to run.

REAL STATE AND INVESTMENTS

Rooms 27 and 28, Holder Block

OCALA, FLORIDA

The man who waits for a proven, producing proposition before investing will always pay every cent the stock is worth. It's the man who takes a chance on the ground floor that really gets the cream. Always investigate and act with due caution but you will lose out entirely and every time if you wait for a "cinch.". Equal parts of nerve and common sense will be found a very palatable dose and a combination hard to beat.

If you want to buy a home in Ocala, I can offer you one of the very few places on the market on Oklawaha avenue.

Frontage is 96 feet and the lot runs back 480 feet.. House is one story containing five rooms, kitchen and bathroom; city water, gas, electric light and modern plumbing; stable and servant's house in yard. Price, $2,300, half cash and balance spread over three years.

If you want to build a store building to rent I have a lot on Fort King avenue between the Pittman building and the new building just erected by Guerrant & Carmichael. Frontage is 43 feet by 110 feet deep. The building now on it is old but rents for enough to pay interest on the investment. Price is $850.

OAKRIDGE lots on the Shady Grove hard road and within the city limits can be bought for $75 to $90; 100 feet front by 125 feet deep: 10% cash and $1 per week. Free deed in case of death. No taxes to pay until 1909. Map and prices on application.

WOODMAR. This property is on the most beautiful lake in Florida, on a bluff which rises from 25 feet to 75 feet above the level of the lake. The A. C. L. railroad runs between the edge of the lake and the bluff. Four years ago when I platted this property and offered to sell lots I was laughed at by many and the word "fool" more than once dropped in connection with this property. Try and buy back for me the lots I have already sold and come and see me. I have raised the prices once and will raise again until another Mr. Flagler sees the beauties of the place and then he can have it if he will pay the price. The streets are all planted to shade trees and water works installed—good water too. Buy a lot now. You can buy on terms but you can't buy them at a discount. Map and prices on application.

A. E. Gerig, Director.

OTHELLO AT THE BERLIN

The principal subject at the Berlin this evening is "Othello, the Moor of Venice," one of Shakespere's most famous plays. Those who have seen it elsewhere say that the illustrations are extra fine. Its something no one can afford to miss. The other subjects are "Music and Poetry" and the "Misadventures of a Sheriff" and "Getting Rid of His Dog," two excruciatingly funny pieces. The show is worth the money several times over.

MONTHLY WOODMEN MEETING

The regular monthly meeting of Fort King Camp, W. O. W., will be held in Yonge's hall tomorrow evening at 8 o'clock and all members are requested to be on hand promptly.
