P. J. Daly, of 1247 W. Congress St., Chicago, tells of a way to become strong: He says: "My mother, who is old and was very feeble, is deriving so much benefit from Electric Bitters, that I feel it's my duty to tell those who need a tonic and strengthening medicine about it. THE PRISON CONGRESS

Richmond, Va., Nov. 14, 1908.

Editor Star—This evening the National Prison Congress will hold its first session. Hundreds of delegates are coming in hourly. The Southern states are taking an interest in the work and the attendance from the South is larger than ever before. Every state and many foreign countries are represented. There are three sections of the congress as you are aware: First, surgeons and physicians association; second, chaplains association; third wardens association. Monday, at 8 p. m., Governor Broward is on "Peonage in Florida." He has not yet arrived. The association has telegraphed him, urging his attendance. It is believed by many of the delegates that Governor Broward has few equals in Florida as an entertaining speaker. His drainage scheme is one widely discussed here and the inquiries are numerous concerning its ultimate success.
