THE CENTAUR COMPANY, 77 MURRAY STREET, NEW YORK CITY.

Mrs. Laura S. Webb,

Vice-President of Women's Democratic Clubs of Northern Ohio.

Mrs. Laura S. Webb.

THERE ARE MANY sickly women between the ages of 45 and 55, but there are very few invalids over 55 and 60 years of age. The change of life coming to a woman near her forty-fourth year, either makes her an invalid or gives her a new lease on life. Those who meet this change in ill health seldom live ten years afterward, while a woman who lays aside the active duties of womanhood in health seldom fails to live on in happiness, years after she has passed 60. This is truly a critical time.

Mrs. Laura S. Webb, of Toledo, Ohio, recognizes the change of life as a dangerous period and she also has faith in Wine of Cardui. She writes:

"As I had always been troubled more or less at the menstrual period, I dreaded the change of life which was fast approaching. While visiting with a friend I noticed that she was taking your Wine of Cardui, and she was so enthusiastic about it that I decided to try a bottle. I experienced some relief the first month, so I kept on taking it for three months and now I menstruate with no pain and I shall take it off and on now until I have passed the climax. I do not dread it now, as I am sure that your Wine of Cardui will be of great benefit at this time."

Wine of Cardui is the remedy to re-inforce a woman against the shock that comes with the change of life. It re-establishes healthy functions after years of suffering. In doing this it has saved thousands of sufferers just in time. Do not wait until suffering is upon you. Thorough preparations should be made in advance. Begin the Wine of Cardui treatment today.

WINE of CARDUI A million suffering women have found relief in Wine of Cardui.

ATLANTA, Ga., Nov. 19, 1900.

We have handled Dr. Moffett's TEETHINA (Teething Powders) ever since its first introduction to the public and trade as a proprietary medicine, and our trade in it has steadily increased from year to year until our orders now amount to two or three hundred gross per year, which is a very strong evidence of its merit and the satisfaction it is giving to the mothers of the country, for they say nothing so effectually counteracts the effects of the summer's hot sun or overcomes so quickly the troubles incident to teething.

PROVING HIS FAITH BY HIS WORKS

Dr. W. P. Wilson, the capable and successful M. D. of his race in Marion county, has been quietly demonstrating that trucking and farming can be made profitable in this county if followed with persistence and system. So impressed is he with this fact and what he has learned by experience, that he has consummated the purchase of 1440 acres of good pine land within sight of Martel, and in the middle of which tract Mr. Grace's sawmill is located. He proposes to remove all the timber from the land, fence it as fast as he can clear it, set it out to velvet beans and the following season plant to cantaloupes and melons, then sow to grass and make hay. He expects to utilize about one hundred acres a year for the purposes indicated and when opportunity presents itself to locate a thrifty colored farmer on the same. At present Dr. Wilson is cutting hay and hopes to save at least fifty tons. He will have 600 bushels of corn and from now on expects to save at least $75 per month in feed, which during the past season came from the North to that extent.

Dr. Wilson is on the right track and if life and health are spared him he is not only a coming man among his race, but is setting an example for all of them to follow, in thrift and citizenship, that willbe a crown of honor to every one of them that will follow in his footsteps.

WILL BE HOME THIS WEEK

J. D. McDuffy, the progressive and up to date colored farmer and trucker, who has been spending some time at Rocky Ford, Col., for health and to gain points on cantaloupe culture, reports to Dr. Wilson that he will be home on the 10th or 12th. September 4th, he says, was Watermelon Day at Rocky Ford and it drew an immense crowd to town, who had all they could eat without the asking, as a pile of melons four feet wide and high and several hundred feet long supplied all the hungry crowd could devour.

Wouldn't it be a good idea for Anthony, for instance, or Ocala to inaugurate a watermelon and cantaloupe day next season?

BEWARE OF THE KNIFE

No profession has advanced more rapidly of late than surgery, but it should not be used except where absolutely necessary. In cases of piles, for example, it is seldom needed. DeWitt's Witch Hazel Salve cures quickly and permanently. Unequaled for cuts, burns, bruises, wounds, skin diseases. Accept no counterfeits. "I was so troubled with bleeding piles that I lost much blood and strength," says J. C. Phillips, Paris, Ill. "DeWitt's Witch Hazel Salve cured me in a short time." Soothes and heals. EUGENE FIELD'S

Views on Ambition and Dyspepsia.

"Dyspepsia," wrote Eugene Field, "often incapacitates a man for endeavor and sometimes it extinguishes the fire of ambition." Field was a dyspeptic himself. Though a great man despite this handicap he felt the blighting effects of the disease all his life. Thousands suffer similarly.

A weak, tired or diseased stomach can't perform the process of digestion. It needs rest. If forced to work it will grow constantly weaker. If it gets rest it will soon grow strong again. Such a preparation as Kodol Dyspepsia Cure will give it just such a rest. Kodol Dyspepsia Cure does the stomach's work. It digests what you eat. Don't diet. Dieting is neither more nor less than partial starvation. Starvation never benefitted anyone. If you take Kodol Dyspepsia Cure you need suffer the pangs neither of indigestion nor of starvation. Equally good for children.

"I consider Kodol Dyspepsia Cure the superior of any preparation for the prevention and cure of dyspepsia," writes Mrs. Geo. E. Ogburn, Ante, Brunswick Co., Va. "About three years ago I suffered spells of the most excrutiating misery. I tried many remedies but gained only temporary relief until I used Kodol Dyspepsia Cure. I have not had an attack since and whenever I feel symptoms of a spell, a bottle of Kodol Dyspepsia Cure sets me right."

COTTON AND CORN

Saturday was a busy time for the cotton buyers of Ocala and the receipts were large for this season of the year. The price has dropped to 4½ in the seed and 16 to 17½ in the lint, according to grade.

Hamp Chambers, who was in the county all week interviewing the country merchants, from Lochloosa around, secured three cars. He left Monday for McIntosh, Fairfield and Citra and expects to ship a car from each of the places named during the week.

H. A. Fausett bought three or four thousand pounds of cotton Saturday, and didn't think he had done very much business.

Geo. K. Robinson is ready to store all cotton for the growers free, if they so desire, and make liberal advances on same, but parties must do their own insurance.

Giles & Co. had a rushing day, taking in five bales, in lots from a few pounds up to loads, besides running their corn mill from 6 a. m. to 8 p. m., with half a day's grinding remaining over.
