HELP THE HOSPITAL

We wish to call the attention of housekeepers to our line of fine Flavoring Extracts, which are first class in every respect, and absolutely full strength.

We give 10 per cent. of the purchase price to any charitable organization and you will find a coupon attached to each bottle.

Our idea in taking this method to introduce these goods is to help the Marion County Hospital. However, these coupons are made payable to "any charitable organization" and it rests entirely with the purchaser as to where the coupon goes.

The price of the extracts is 15 cents per bottle of One FULL Ounce and this quantity will go as far as some of the 25 cent bottles of so-called "full strength" extracts.

Four flavors — Lemon, Vanilla, Strawberry and Pineapple.

FOR THOSE WHO LIVE ON FARMS

Dr. Bergin, Pana, Ill., writes: "I have used Ballard's Snow Liniment; always recommend it to my friends, as I am confident there is no better made. It is a dandy for burns." Those who live on farms are especially liable to many accidental cuts, burns and bruises, which heal rapidly when Ballard's Snow Liniment is applied. It should always be kept in the house for cases of emergency. 25c., 50c. and $1 at Anti-Monopoly Drugstore.

C. E. CONVENTION

Eloquent Addresses by Dr. Clark—Reception at the Ocala House

For some cause, not explained, in the missionary exercises yesterday afternoon, Mrs. Margaret Tyler, of Clearwater, representing Japan, did not appear. The other young ladies, whose names have already been given, read interesting and instructive addresses showing the results of missionary labors in the countries they represented and when all the circumstances are considered the progress in converting the heathen is encouraging.

Of course Dr. Clark's address attracted great attention. It supplemented the facts given by the young ladies who had preceded him, including the observations he made in China in 1900 just previous to the Boxer uprising. He answered in the affirmative the question, "Are these people worth saving?"

The most impressive fact stated by Dr. Clark was that at many points he found Christian Endeavor societies flourishing and the members working with an enthusiasm that was inspiring, and the contributions were large. Dr. Gan's society gave for three years $1500, $1800 and $1500 respectively to the cause. Mark now, these were native churches and because of their apostasy to the doctrines of Confucius were poor people, comparatively speaking. It was a far greater sum than any similar C. E. Society's contributions anywhere else.

Speaking of heroism and the martyr spirit, he said he saw and heard more of it among the Christianized heathen than he deemed possible for humans to possess. These are the best and truest men in the world. He spoke highly of the Chinese as a nation. He related many impressive accounts of the heroic spirit shown by converted Chinese in the late Boxer uprising and the fortitude they displayed when led out to be beheaded. He referred with pathos to the martyrdom of Missionaries Maurice Hemen, Murray, and Morrell, and Miss Boone. He also told of a Chinaman who traveled afoot 100 miles to reach his little flock of converts, the railroad being torn up, knowing that when he got there he would be beheaded; and so he was. When arrested by the Boxers he asked permission to go to his mud hut and there arrayed himself in his best garments. The Boxers asked the reason of this, as his life was doomed. He replied, "I know I'm going to meet my King and I wish to appear before Him in my best vestments."

He also referred to Mr. and Mrs. Hodge, of Cedar Rapids, Iowa. She was a Miss Sinclair, the daughter of a multimillionaire, who went to China and had only been there a very short time when she fell into the hands of the cruel Boxers. This to illustrate how people imbued with the true missionary spirit can forego what the world deems the prizes of life to assist in rescuing the perishing in foreign lands.

But that these heroes might not be forgotten, Oberlin College, in Ohio, the greatest missionary institution in this great country of ours, erected a $25,000 monument on their campus, so located that the 1000 and more students, in passing in and out of the leading building, would have to pass through and under this memorial pile, thus keeping the names of these martyrs fresh in their minds.

Dr. Clark seemed delighted at the cordial reception and Chautauqua salute given him by the Florida convention.

Mrs. Hilburn sang delightfully and the afternoon session was over. President Upham said it was the proudest event of his life to have the honor to present Dr. Clark.

Tuesday Evening

Capt. Wood led the song service and Miss Tucker spoke of right living. God's love and the need of obedience to His law to become His children. She produced a fine effect.

Dr. Clark followed and took his hearers with him on a tour over a dozen foreign lands and in each Christian Endeavorers and hearty fellowship met him.

Speaking of the "quiet hour," Dr. Clark said those who give fifteen minutes of each day to communion with God now number 32,000.

He referred to the effort made to infuse new life and interest into the ranks of the society by offering magnificent banners for competition. It is proposed to make an increase of 10 per cent. in societies in each state before the Denver meeting in July. So far Ohio is in the lead with 85 new societies, closely followed by New York, Indiana and Pennsylvania. In this contest will come a banner from China to represent the 85 martyrs who fell during the Boxer uprising. He spoke of landing at Southampton, where he found many societies. Liverpool has eighty-five societies and London leads the world with 700 so-

DEATH ON THE DEEP

The Clyde Liner Saginaw Cut Down by the Old Dominion Steamer Hamilton

Norfolk, Va., May 6.—In a dense fog off the Delaware Capes yesterday the steamship Hamilton, of the Old Dominion Line, collided with the Saginaw, of the Clyde Line.

In half an hour the Saginaw went to the bottom. From 22 to 28 persons are missing and are believed to have gone down with the steamer.

NOT A SICK DAY SINCE

"I was taken severely sick with kidney trouble. I tried all sorts of medicines, none of which relieved me. One day I saw an ad. of your Electric Bitters and determined to try that. After taking a few doses I felt relieved, and soon thereafter was entirely cured, and have not seen a sick day since. Neighbors of mine have been cured of Rheumatism, Neuralgia, Liver and Kidney troubles and General Debility." This is what B. F. Bass of Fremont, N. C., writes. Only 50c. at the Anti-Monopoly Drugstore.

LOCAL LEGISLATION

The city council last night elected the following municipal officers:

Superintendent city electric light plant—E. C. Bennett.

City clerk—E. K. Nelson.

Policemen—J. D. Williams and A. J. Brigance.

City marshal—George Cleveland.

City attorney—T. E. Biggs.

Street overseer and sanitary inspector—C. L. Moore.

Assessor and collector—W. W. Clyatt.

Treasurer—W. T. Gary.

Alderman Carmichael placed the present clerk in nomination.

Mr. Sheely opposed C. L. Moore; for policeman H. G. McDavid, present incumbent, was a candidate, as were William Hutson and Jim Duffy.

There is considerable regret expressed that the council dropped Mr. Dozier as clerk, as no more efficient and faithful man has ever served the city, but we trust the new official, Mr. Nelson, will prove equally competent.
