HELP THE HOSPITAL

We wish to call the attention of housekeepers to our line of fine Flavoring Extracts, which are first class in every respect, and absolutely full strength.

We give 10 per cent. of the purchase price to any charitable organization and you will find a coupon attached to each bottle.

Our idea in taking this method to introduce these goods is to help the Marion County Hospital. However, these coupons are made payable to "any charitable organization" and it rests entirely with the purchaser as to where the coupon goes.

The price of the extracts is 15 cents per bottle of One FULL Ounce and this quantity will go as far as some of the 25 cent bottles of so-called "full strength" extracts.

Four flavors—Lemon, Vanilla, Strawberry and Pineapple.

FOR EDUCATION

Sums Given by the Legislature to the Leading Schools of the State

The Legislature, which adjourned Saturday last, was exceedingly liberal to the colleges of the state. The Senate agreed to give them $631,552.11, but the House cut it down to $410,149.11.

The amounts asked for and the amounts appropriated are as follows:

The Juvenile Reformatory at Marianna received $5000.

The East Florida Seminary at Gainesville asked for $127,000, and received $80,000, a cut of $47,000.

The Florida State College at Tallahassee asked for $102,612,11, and received $77,199.11, a cut of $25,413.

The State Normal College at DeFuniak Springs asked for $60,915 and received $50,875, a cut of $10,040.

The Florida Agricultural College at Lake City, now the University of Florida, asked for $101,700, and received $65,250, a cut of $46,400.

The State Normal and Industrial School, for colored students, at Tallahassee, asked for $27,000, and received $7000, a cut of $20,000.

The South Florida Military Institute at Bartow asked for $28,135, which it received.

The St. Petersburg Normal and Industrial School asked for $40,000, and received $27,500, a cut of $12,500.

The Florida School for the Deaf, Dumb and Blind, located at St. Augustine, asked for $139,200, and received $79,200, a cut of $60,000.

A recapitulation shows that the nine educational institutions mentioned asked for $631,552.11. The amount they are to receive is $410,149.11, a cut of $221,403.—Metropolis.

INTERESTING TO ASTHMA SUFFERERS

Daniel Bante, of Otterville, Iowa, writes, "I have had asthma for three or four years and have tried about all the cough and asthma cures in the market and have received treatment from physicians in New York and other cities, but got very little benefit until I tried Foley's Honey and Tar which gave me immediate relief and I will never be without it in my house. I sincerely recommend it to all." Sold by the Postoffice Drugstore.

Confederate veterans and Daughters of the Confederacy throughout the state will regret to know that the late Legislature in all of its extravagant expenditures and appropriations, refused to appropriate anything for the benefit of the aged and dependent widow of General J. J. Dickison. The House of Representatives administered the cruel blow.—Metropolis.

HOT WEATHER WEAKNESS

If you feel fagged out, listless and lacking in energy, you are perhaps suffering from the debilitating effects of summer weather. These symptoms indicate that a tonic is needed that will create a healthy appetite, make digestion perfect, regulate the bowels and impart natural activity to the liver. This, Herbine will do; it is a tonic, laxative and restorative. H. J. Freegard, Prop. Grand View Hotel, Cheney, Kan., writes: "I have used Herbine for the last twelve years, and nothing on earth can beat it. It was recommended to me by Dr. Newton, of Newton, Kan." 50c., at Anti-Monopoly Drugstore.

The columns of the New York papers are full of reports of suicides. A great majority of the unfortunates elope with death by the carbolic acid route, which is one of the roughest they can take.

TEN YEARS IN BED

R. A. Gray, J. P. Oakville, Ind., writes, "For ten years I was confined to my bed with disease of my kidneys. It was so severe that I could not move part of the time. I consulted the very best medical skill available, but could get no relief until Foley's Kidney Cure was recommended to me. It has been a God-send to me." Sold by the Postoffice Drugstore.

HEROES OF POVERTY

Nathan Longbart, a Jewish tailor of New York, died from starvation last week. After he was dead, it was found he had denied himself sufficient to support life in order to send money to relations in Russia, to enable them to come to the United States. They lived near Kischeneff.

* * *

Kate Biehen, a 21-year-old New York girl, the main support of her mother and brother, lost her $7 a week job in a lace factory. She hunted for work unsuccessfully for several days, not telling her mother of her misfortune, but every morning going out, as though to work, but really to seek work. Unable to find a situation, she took carbolic acid and died. Her body was hardly cold when a friend came to tell of a situation he had found for her.

DEMURRER SUSTAINED

In the Post Case—An Important Point Won by the Defense

Counsel for the defense in the case of the United States against Helen Wilmans Post has scored a very important point in a ruling made by Judge Locke in the United States court Monday in which he orders the demurrer sustained and the indictments quashed. These are the indictments found against the defendant here, and after the issuance of the order District Attorney Stripling asked that the case be set for trial upon the four indictments found at Tampa, but to this procedure the counsel for the defense objected and was granted until Tuesday to show cause why a further continuance should be allowed.—Metropolis.

HIS LAST HOPE REALIZED

(From the Sentinel, Gebo, Mont.)

In the first opening of Oklahoma to settlers in 1889, the editor of this paper was among the many seekers after fortune who made the big race one fine day in April. During his traveling about and afterwards his camping upon his claim, he encountered much bad water, which, together with the severe heat, gave him a very severe diarrhoea which it seemed almost impossible to check, and along in June the case became so bad he expected to die. One day one of his neighbors brought him one small bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy as a last hope. A big dose was given him while he was rolling about on the ground in great agony, and in a few minutes the dose was repeated. The good effect of the medicine was soon noticed and within an hour the patient was taking his first sound sleep for a fortnight. That one little bottle worked a complete cure, and he cannot help but feel grateful. The season for bowel disorders being at hand suggests this item. For sale by all druggists.

An organized attempt is to be made by the W. C. T. U. and some of the evangelical churches to expel Mr. Smoot of Utah from the U. S. Senate. He occupied his seat during the extra session, which rather gives him the bulge on his assailants. He was legally elected and is charged with no crime, except being a Mormon, which under the constitution can be no crime if the polygamy section is left off.
