Dr. W. H. Russell of Inverness was in the city today with his family who were on their way to visit Mr. and Mrs. Pat Randall at Connor. Dr. Russell has just returned from Live Oak, where he was in charge of a very successful summer school. Speaking as one who has just seen an' inspected Suwannee county's new $41,300 court house, and as a Marion county tax payer, he says to tear down the present Marion county "box" and erect in its stead a new building, a duplicate of the Suwannee county building, and it will be an ornament and a pride to the city and county. The building has ten offices down stairs, and up stairs it has two jury rooms, two witness rooms, a private room for the judge and one for the states attorney, and a cell for prisoners. The court room proper will seat 1000 people. Speaking of the city of Live Oak he said it was growing like a green bay tree, and that its electric lighting plant was a benefaction to its people. The plant supplied power day and night, and the result is that about every building in the city is illuminated with electricity, and during the day all the stores and leading offices of the place were cooled with electric fans, as are the churches of the city—a comfort that can only be appreciated when enjoyed. This court house and electric lighting plant of Live Oak will make good pointers for our county and city authorities, and may they so labor in their wisdom and deliberations to secure both for our people.

Frank Myers, a former prosperous farmer five miles south of Ocala, but for the past five years a resident of the Tarpon Springs section, was in the city today renewing acquaintances. Mr. M. is well pleased with his new home. He is taking care of orange groves and growing vegetables, at which he has been very successful The orange groves are doing finely and the yield of fruit will be large this season. He says the town of Tarpon Springs is growing rapidly, twenty-five desirable residences having gone up this summer. The sponge industry is flourishing, the business amounting to half a million dollars this season. So great is the interest in this industry that a ocmpany with $25,000 capital, is setting a plant with copper wires in eight feet of water in the bay on which sponges are propagated. It has been in operation for three years and a very fine lot of cultivated sponges have been sent for exhibition to the World's Fair at St. Louis.

The Belleview baseball team, having received a challenge from the Oxford boys, went down there Saturday to compete with them on the diamond and were vanquished to the tune of 6 to 3. The Belleviewites say they did not get a fair "hand-out" by the umpire, Mr. Bogue, and will even up with them the next show they have with them at Belleview, which will be several Saturdays from now. The game drew several hundred people, among them the prettiest girls from Oxford and surrounding country, who just smiled benedictions on their home players. The Belleview team consisted of Sam Barrett, c.; Hopkins, p.; Dell Moody, 1b.; Fred Vogt, 2b.; John Pelot, 3b.; Smith, cf.; Ed Pelot, lf.; Rex Nichols, rf.; Perkins, ss.

WAS IN POOR HEALTH FOR YEARS

Ira W. Kelly of Mansfield, Pa., writes: "I was in poor health for two years, suffering from kidney and bladder trouble, and spent considerable money consulting physicians without obtaining any marked benefit, but was cured by Foley's Kidney Cure, and I desire to add my testimony, that it may be the cause of restoring the health of others." Refuse substitutes. Sold by the Postoffice Drugstore.

The churches were well attended yesterday, considering the state of the thermometer and the church absentees. Rev. Rowland of the Christian church preached two excellent discourses. In the morning he spoke on "A Wrestling Church," and in the evening on "Why I Am a Christian." One of the pleasant attractions of the services was the singing of Miss Addie Stone of Chattanooga. She sang with a voice and power that thrilled.

Dr. Lindsay preached to a good audience at the Presbyterian church. It was a sermon that was replete with inspiration, power and penetration.

Rector Little was listened to with pleasure and profit, while Rev. L. B. Warren, for the Baptists, instructed and directed.

Rev. L. W. Moore disappointed the Methodists, he having been taken suddenly ill, to the deep regret of his congregation.

CURES SCIATICA

Rev. W. L. Riley, LL. D., Cuba, N. Y., writes: "After fifteen years of excruciating pain from sciatic rheumatism, under various treatments, I was induced to try Ballard's Snow Liniment; the first application giving my first relief, and the second entire relief. I can give it unqualified recommendation." Twenty-five and fifty cents and $1 at the Anti-Monopoly Drugstore, Ocala.

OCALA RIFLES NOTES

The second regiment band is now located at Orlando. Our former regimental band was from Tampa, but for some reason the band refused to attend encampment. It is a matter of much regret that the Gulf City boys will not be with us, as they are all fine fellows and excellent musicians.

It will be "Camp Taliaferro" this year in honor of Senator Taliaferro of Jacksonville.

The Ocala Rifles will assemble for company inspection tonight instead of Tuesday night as stated in Saturday's paper. The boys are working hard in order to get their guns in passable condition.

Never since the discharge of Company A immediately after the Spanish-American war has so much interest been taken in the company. Officers and men alike are enthusiastic and are using every possible means to make the Rifles the best company in the state troops.

Sam Pooser is chief mechanic for the company. He can take a gun to pieces and put it back in five minutes. His friends cannot be counted, especially just before inspection.

In "Bobbie" Miller we have discovered a swell tenor, to say nothing of the fog-horn of Mr. "It" Hampton, which he recovered recently in an attempt at calling hogs.

The new tents which have been ordered by Captain Nash are expected here in a day or two. These tents will fill a long felt want, as they are very large and can be used to great advantage by the quartermaster sergeant and first sergeant.

The boys are very much gratified to see Mr. "Ikie" Frank attend drill regularly . He occupies the peculiar position of auctioneer, chief pawn broker and all around "gab" slinger of Company A.

GADSON'S BARGAINS

F. P. Gadson, proprietor of the Bazar, who returned a few days since from his fall purchasing trip to New York, with his force of clerks, is busy opening up the handsome line of goods bought. Always having a faculty for securing bargains and the latest and most stylish novelties, Frank Gadson has outdone himself this season, and has now opened a magnificent line of the very latest novelties in ladies' neckwear in wash goods and others, belts, laces, ribbons, embroideries, hose, etc. He has a very beautiful sample line of fall and winter ready-to-wear hats, with many more of them to follow. In gents' shirts and furnishings of all kinds he is showing a fine line, and campaign fobs are only found here. The handsome line of samples of Wannamaker and Brown are now in for the fall and winter business, and customers should see them early.

In toilet sets and all kinds of china and crockery, this house has the biggest line and the finest bargains ever shown here. The ladies particularly are urged to visit the store early and watch for and attend the grand fall opening of Gadson's Bazar on or about September 1.

MAYOR'S COURT

Two cases were tried in the mayor's court this morning. Tom Graham was fined $3 and costs and Percy Tillery was fined $5 and costs. Both were colored and both were drunk and disorderly, only Tillery was very drunk and kept even worse order than Graham, which is saying a good deal.

A SWEET BREATH

Is a never-failing sign of a healthy stomach. When the breath is bad, the stomach is out of order. There is no remedy in the world equal to Kodol Dyspepsia Cure for curing indigestion, dyspepsia and all stomach disorders. Mrs. Mary S. Crick of White Plains, Ky., writes: "I have been a dyspeptic for years; tried all kinds of remedies, but continued to grow worse. By the use of Kodol, I began to improve at once, and after taking a few bottles am fully restored in weight, health and strength, and can eat whatever I like." Kodol digests what you eat and makes the stomach sweet. Sold in Ocala by Wm. Anderson.

Rev. Louis Warren of Florida has been supplying the pulpit of the First Baptist church of Richmond. He has made a most favorable impression upon the church and the city. We give this young brother the track. He seems born for a large career, and we salute him as he warms to the race. May the Captain of Races give him a ribbon for speed in the King's service.—W. E. H. in Baptist Argus.

An Indiana man who paid $800 for an automobile and then spent $2000 for repairs has filed a petition in bankruptcy, and asks the courts to relieve him of the auto. He will find many sympathizers.

BETTER THAN GOLD

"I was troubled for several years with chronic indigestion and nervous debility," writes F. J. Green of Lancaster, N. H. "No remedy helped me until I began using Electric Bitters, which did me more good than all the medicines I ever used. They have also kept my wife in excellent health for years. She says Electric Bitters are just splendid for female troubles; that they are a grand tonic and invigorator for weak, run down women. No other medicine can take its place in our family" Try them. Only 50 cents. Satisfaction is guaranteed by Anti-Monopoly Drugstore, Ocala, Fla.

It has passed into a proverb in Ocala that when a man joins one of the fraternal societies so numerously represented in the city, the more he is thought of the worse he is treated during his initiation. Dr. Daniels, the popular and efficient druggist, joined the Elks the other night, and was hardly able to attend to business for two days afterward.

Major L. T. Izlar left this morning over the S. A. L. for Blackwell, S. C.

THE CHAUNCEY ON GUARD

If Your Uncle Sam Says Shanghai is a Neutral Port, It Will Have to Stay Neutral

Shanghai, Aug. 21. —Shanghai was thrown into a fever of excitement yesterday by the arrival of a Japanese torpedo boat. She passed Woo Sung at full speed and started up the river Ju for Shanghai.

The United States torpedo boat destroyer Chauncey slipped her cable and followed the Japanese destroyer. The Japanese boat was cleared for action. She anchored off the Cosmopolitan dock, where the Russian cruiser Askold is undergoing repairs. The Chauncey came to anchor practically between the dock and the Japanese destroyer.

The dock where the Askold lies is owned by British interests. On one side of this dock is German and Dutch property and on the other side American property.

There are eight American, one German, two British and four French warships here.

Renders the bile more fluid and thus helps the blood to flow; it affords prompt relief from biliousness, indigestion, sick and nervous headaches, and the over-indulgence in food and drink. Herbine acts quickly, a dose after meals will bring the patient into good condition in a few days.

G. M. Caldwell, agent M., K. & T. R. R., Checotah, Ind. Ty., writes April 18, 1903: "I was sick for over two years with enlargement of the liver and spleen. The doctors did me no good and I had given up all hope of being cured, when my druggist advised me to use Herbine. It has made me sound and well."

G. B. BURHANS TESTIFIES AFTER FOUR YEARS

G. B. Burhans of Carlisle Center, N. Y., writes: "About four years ago, I wrote you, stating that I had been entirely cured of a severe kidney trouble by taking less than two bottles of Foley's Kidney Cure. It entirely stopped the brick dust sediment, and pain and symptoms of kidney disease disappeared. I am glad to say that I have never had a return of any of those symptoms during the four years that have elapsed, and I am evidently cured to stay cured, and heartily recommend Foley's Kidney Cure to anyone suffering from bladder or kidney trouble." Sold by the Postoffice Drugstore.
