ANOTHER FIERY VENGEANCE

A Negro Burned Alive at Cedartown, Ga., for Assault on a Little White Girl

Cedartown, Ga., Aug. 24.—Following the actions of the Statesboro mob, a crowd of men Monday night burned James Glover, a young negro, at the stake. The burning took place in the most central portion of the town, and there was no shooting or throwing at the burning man. He was simply tied to a stake, wood piled around him, saturated with turpentine, and the match applied. The cries of the negro were heard for blocks as he begged for mercy.

The crime for which the negro was thus punished was that of committing criminal assault upon little Levia Reaves, the 13-year-old daughter of a well known farmer.

The crime is the most revolting that had ever been given to the public from this immediate section of the country. After the little girl had protected the negro from the attack of a large dog owned by her father, he followed her to the pasture, choked her to insensibility, accomplished his purpose and left her bleeding and unconscious in a corn field. This occurred Monday morning. Bloodhounds were on the negro's track all day, and he was captured Monday afternoon, carried to the home of the girl, who unhesitatingly identified him as her assailant. He confessed his crime.

G. B. BURHANS TESTIFIES AFTER FOUR YEARS

G. B. Burhans of Carlisle Center, N. Y., writes: "About four years ago, I wrote you, stating that I had been entirely cured of a severe kidney trouble by taking less than two bottles of Foley's Kidney Cure. It entirely stopped the brick dust sediment, and pain and symptoms of kidney disease disappeared. I am glad to say that I have never had a return of any of those symptoms during the four years that have elapsed, and I am evidently cured to stay cured, and heartily recommend Foley's Kidney Cure to anyone suffering from bladder or kidney trouble." Sold by the Postoffice Drugstore.

MRS. MAYBRICK IN AMERICA

New York, Aug. 24.—Mrs. Florence Maybrick arrived yesterday from Antwerp on the steamer Vaderland. Dr. Emmet Densmore, the millionaire chemical manufacturer, and his wife met Mrs. Maybrick, and in a day or two will take her to their summer home in the Catskill mountains. Thousands of people gathered at the dock, and the woman who for fifteen years was incarcerated in an English prison was given every assurance that she was welcomed by the people of her native country.

Although but little over forty years of age, Mrs. Maybrick is so broken by suffering that she wants to get a home for herself, probably in Virginia, where she will be free from intrusion and will be able to collect the evidence with which she expects to establish her innocence to the satisfaction of the English courts.

DeWITT IS THE NAME

When you go to buy Witch Hazel Salve, look for the name DeWITT on every box. The pure, unadulterated Witch Hazel is used making DeWitt's Witch Hazel Salve, which is the best salve in the world for cuts, burns, bruises, boils, eczema and piles. The popularity of DeWitt's Witch Hazel Salve, due to its many cures, has caused numerous worthless counterfeits to be placed on the market. The genuine bears the name, E. C. DeWitt & Co., Chicago. Sold by Wm Anderson, Ocala.

THIRD TIME NEVER FAILS

San Francisco, Aug. 24.—Yesterday afternoon Judge Cook of the superior court sentenced Mrs. Cornelia Botkin to life imprisonment in the state's prison for the murder of Mrs. J. P. Dunning. The prisoner received the sentence without any sign of emotion. This is the third conviction of the woman. She was charged with having sent a box of poisoned candy to Mrs. J. P. Dunning, the daughter of Congressman Pennington, of Dover, Del. The candy was sent through the mails, and Mrs. Dunning, believing that it came from a friend, ate it and died.

WAS WASTING AWAY

"I had been troubled with kidney disease for the last five years," writes Robert R. Watts, of Salem, Mo. "I lost flesh and never felt well and doctored with leading physicians, and tried all remedies suggested without relief. Finally I tried Foley's Kidey Cure, and less than two bottles completely cured me, and I am now sound and well." During the summer, kidney irregularities are often caused by excessive drinking or being overheated. Attend to the kidneys at once by using Foley's Kidney Cure. Sold by the Postoffice Drugstore, Ocala, Fla.

TAKEN WITH CRAMPS

William Kirmse, a member of the bridge gang working near Littleport was taken suddenly ill Thursday night with cramps and a kind of cholera. His case was so severe that he had to have the members of the crew wait on him, and Mr. Gifford was called and consulted. He told them he had a medicine in the form of Chamberlain's Colic, Cholera and Diarrhoea Remedy that he thought would help him out, and accordingly several doses were administered with the result that the fellow was able to be around the next day. This incident speaks quite highly of Mr. Gifford's medicines.—Elkader, Iowa, Argus.

BLAMES THE PRESIDENT

Merrimac Hobson Says Mr. Roosevelt is Responsible for the Recent Race Troubles in the South

Indianapolis, Ind., Aug. 24.—Capt. Richmond P. Hobson, who is in this city, freely expressed his opinion of the political situation. He condemns President Roosevelt as being largely responsible for the recent race troubles in the South. Captain Hobson, in discussing the matter, said:

"We must, however, calmly recognize the fact that the wave of lawlessness in Georgia and in other states has followed upon the heels of the recent action of the president in forcing the race question upon the Chicago convention and the republican platform.

"In fact, the whole unhappy situation in the South, which has grown worse with the course of the Roosevelt administration, is due to the flagrant violation of the fundamental laws of nature, whether intentional or unintional, on the part of the president.

"The accepted interpretation of Mr. Roosevelt's position on the race question means negro political domination where negroes are in the majority, or a return to the unhappy conditions of the reconstruction era, and means the mingling of the races in blood relations. By the laws of nature, where two races differing in sociological status are found together in a political organism, it is the higher, and not the lower, that should be intrusted with the grave questions of the governing, and it is suicidal for the higher race to intermarry with the lower.

"While no one can fail to strongly condemn the action of the law-breakers, earnest citizens throughout the whole land should recognize that untold injury is being done by their president, who has disturbed the happiness of millions of citizens of the two races where they came in contact, producing by his attitude increasing crime on the part of the negro and more hideous lawlessness on the part of the white man."

SEIGE OF PORT ARTHUR

Brave Little Brown Men Are Closing in On Their Gallant Foes

Chee Foo, Aug. 24.—Refugees from Port Arthur who have just arrived here say that the fortress has all but fallen. The Japanese have obtained a position between Golden Hill and the town and have reached the residence of Gen. Stoessel. The Japanese are prepared to celebrate the fall of the Gibraltar of the East. Local experts here disbelieve that the Japanese have reached the Stoessel residence.

An unusually large proportion of young Russian officers have been killed, which is partially owing to their duties and to their reckless daring.

The Japanese have guns mounted on nearly all the hills which formerly formed Russian outposts. The Japanese fire is accurate, and the hospitals and Chinese houses at Port Arthur are full of Russian wounded.

RHEUMATISM

When pains or irritation exist on any part of the body, the application of Ballard's Snow Liniment gives prompt relief. E. W. Sullivan, proprietor Sullivan House, El Reno, O. Twenty-five and 50 cents and $1 at the Anti-Monopoly Drugstore, Ocala, Fla.
