SPRING PARK

Mr. A. S. Russell, bookkeeper and manager of the Stuckey and Tiller commissary, has moved his family into the Jake Brown house, and is busy getting the place in readiness to accommodate all his live stock, etc. He will put up a barn, hen house, put wire fencing around the place, and make many necessary repairs. We are very glad to be aroused from our Rip Van Winkle sleep, and the sound of the hammer and merry laughter of the children is very enlivening. We extend a hearty welcome to them all and hope they will decide to locate here permanently.

Mr. J. C. Howell has moved to the Garden Grove farm, which he recently purchased, and we are informed he will build a new kitchen and dining room and make quite a good many improvements.

A. P. Stuckey and C. E. Priest are putting up a portable sawmill in the vicinity of Cow Pond, and will soon be running it full blast. They expect to turn out about 10,000 feet of lumber daily. We wonder when the "colony" from the North will arrive, and if they will be interested in the new sawmill.

Our new justice of the peace, C. E. Priest, is quite busy tying nuptial knots at the turpentine camp.

A. P. Stuckey's two sons left last week for Bingham, N. C., to enter a military school.

Mrs. T. C. Thomsen of Ocala is visiting her parents, Mr. and Mrs. A. M. James.

SHADY

There is still a good deal of sickness in our midst.

Mrs. A. R. Douglass and Messrs. Sam Phillips and Will Perkins are on the sick list.

Mr. William Jones was in Ocala several days last week.

Miss Collins of Fort White is visiting friends here.

Miss Katie Buhl went to Etna Monday to visit relatives for several weeks.

A surprise party was given at the home of Mr. and Mrs. S. R. Pyles last Wednesday evening in honor of Miss Maggie's sixteenth birthday. Quite a crowd gathered there, but were surprised to hear that she was spending the night in Ocala. Nevertheless the evening was a pleasant one.

Mr. John Smith is busy bringing his hogs from the scrub to fatten for cold storage.

Mrs. A. R. Douglass and children returned from Fort White last Thursday, where they have been for two weeks.

School closed Friday at noon, on account of the teacher's illness. We hope for her a speedy recovery.

Mr. Leslie Horne of York was a business visitor here Friday.

A HAPPY MOTHER

Weatherford, Texas,
May 14, 1903.

Before my baby was born I was in great misery. I was just able to be about but just as soon as I began to take Wine of Cardui, which had been recommended to me, I felt much better. In fact I feel that if it had not been for this medicine I would not have been strong enough to live through childbirth. But that was made comparatively easy by taking your medicine for four months before baby came. Wine of Cardui restored my health as I took it two months afterward. I cannot speak too highly of Wine of Cardui and I am glad to endorse it

Mrs. C. C. Wood
Treasurer, Young Matron's Club.

Wine of Cardui is a powerful tonic which acts on the generative organs of women, regulating menstruation and giving tone and strength to the organs which inflammation and weakness have affected. It cures nineteen out of every twenty cases of bearing-down pains or ovarian trouble.

Wine of Cardui cures barrenness and aids the mother in conserving her strength for the ordeal of childbirth. After that event the Wine prevents dangerous flooding and helps mothers to quick recovery. Wine of Cardui is the one medicine a mother should use before and after childbirth.

All druggists sell $1.00 bottles Wine of Cardui.
