MENDACIOUS FALSEHOOD

The Ocala Star should not be so ready to accuse others of falsehood since it was recently called down so emphatically by the Tampa Herald.—Jacksonville Metropolis.

A clear case of scuttle fish journalism. The Metropolis knows, and its friends who were present at the Leesburg meeting know, that its claim that 3000 persons at 8 a. m. on September 6th were eagerly awaiting the opening of the day's festivities, was one of the rankest, baldest, bzvxmvgk and vxbzfibzvxfigb statements ever made by a newspaper. We said then the Met. deliberately lied. We say so now.

The Star's Tampa Herald episode stands on its own bottom.

BRYAN'S DEMOCRACY

Many may dare to do in crowds what they would not dare to do as individuals, but the moral character of an act is not determined by the number of those who join in it. Force can defend a right, but force has never yet created a right.—W. J. Bryan.

ST. AUGUSTINE

Has made all necessary arrangements to open her capitol removal campaign and her orators will start out next week, take in all the prominent towns on the east coast as far as Key West and return via Tampa and the west coast.

The Star extends them a cordial invitation to make an appointment in Ocala. We assure them a large and appreciative audience.

OCKLAWAHA

The cotton growers are highly elated over the rise in cotton, but are holding for still better prices. Should prices go over 6 cents for unginned cotton every farmer will go to fencing and clearing more land for a larger acreage next summer.

With velvet beans and good priced cotton Florida farmers can once more indulge in day dreams of comfort and prosperity for their old age.

Mr. Connor, the orange nurseryman, returned Monday with his family from the east coast, where they have spent the past two months. Mr. Connor has a number of employees in his nurseries, and altogether puts quite a sum of money in circulation every month in this place.

The public school will open October 1. Miss Anna Wells, of Orange Lake, will teach this term.

FOLEY'S KIDNEY CURE

is a pure medicine, and contains in concentrated form remedies recognized by the most skilful of the medical profession as the most effective agents for the cure of kidney and bladder diseases.

COTTON UP

There was a sharp advance in the cotton market after the disastrous storm in Texas. Cotton that a year ago was worth 5½ to 6 cents is now active at 10¾. In other words, last year cotton was $25 a bale; today it is $50 and over.

WHY NOT?

Candidate Jennings, in his speech at St. Augustine last week, strongly advocated free books for Florida's free schools, claiming the experience of the school authorities in his county, Hernando, where the plan has been tried for several years, shows that the state could furnish each pupil with books free of cost at an expense of only 14 cents per annum.—Ex.

WHY DR. HATHAWAY CURES.

This system of treatment he has more and more perfected each year until today his cures are so invariable as to be the marvel of the medical profession.

Enjoying the largest practice of any specialist in the world he still maintains a system of nominal fees which makes it possible for all to obtain his services.

ECZEMA = SATANIC ITCH.

This most aggravating and tormenting of all skin diseases is caused by an acid condition of the blood, and unless relieved through certain instrumentalities too much of this acid poison reaches the skin and it becomes red and inflamed. The itching and burning are almost unbearable, especially when overheated from any cause. The skin seems on fire, sleep or rest is impossible, the desperate sufferer, regardless of consequences, scratches until strength is exhausted.

This burning, itching humor appears sometimes in little pustules, discharging a sticky fluid, which forms crusts and scales. Again the skin is dry, hard and fissured, itches intensely, bleeds and scabs over. This is a painful and stubborn form of the disease.

While Eczema, Tetter, Erysipelas, Salt Rheum and many like troubles are spoken of as diseases of the skin, they are really blood diseases, because

THERE CAN BE NO EXTERNAL IRRITATION WITHOUT AN INTERNAL CAUSE.

If the blood is in a pure, healthy condition, no poisonous elements can reach the skin.

External applications of washes, lotions and salves sometimes mitigate the itching and soothe the inflammation, but cannot reach the disease. Only S. S. S., the real blood medicine, can do this.

S. S. S., the only purely vegetable remedy known, is a safe and permanent cure for Eczema and all deep-seated blood and skin troubles. It goes direct to the seat of the disease, neutralizes the acids and cleanses the blood, re-inforces and invigorates all the organs, and thus clears the system of all impurities through the natural channels; the skin relieved, all inflammation subsides, and all signs of the disease disappear.

Mrs. Lefa M. Hoffmin, of Cardington, Ohio, says she was afflicted with Scrofulous sores and Eczema from birth. Her face at times became so badly swollen that she was not recognizable, and her limbs and hands were very sore. She was treated by all the doctors in town without being benefitted, and in her researches for relief, was told by an old physician to take S. S. S. She followed his advice and was promptly cured, and has never had a return of the disease. This was seventeen years ago. She sincerely believes she would have been in her grave years ago but for S. S. S., and adds, "what it has done for me it will do for others."

OBITUARY

Died, near Anthony, Fla., September 6, 1900, Daniel A. Leitner, youngest son of B. H. and Virginia Leitner, aged six years.

The reaper Death, with sickle keen,
The suffering boy came near;
Said he, "I'll place this winsome child
Within the gates up there."

"My Lord has need of this bright jewel,"
The Reaper said and smiled;
"Dear token of earth-love is he,
Where he was once a child."

The father watched with tender care
His bright, obedient boy;
Dreamed not his darling soon must yield
His home—and earthly joy.

The mother gave, in tears and pain,
This flower of her love;
She knew she'd find it soon again
In those fair fields above.

Oh, not in cruelty, not in wrath,
The Reaper came that day;
An angel visited the earth
And Daniel took away.

Then weep not, parents: thou are blest;
Drive back those flowing tears;
Thy child in Heaven is at rest,
Freed from all earthly snares.

Jacksonville Losing Ground

As the time approaches to vote on the state capital question, it becomes more and more apparent that St. Augustine will be Tallahassee's real competitor. Jacksonville is losing ground so fast that she is even hesitating about putting up the thousand dollars which is necessary to enter the race. —Pensacola Press.
