ESTRADA'S FRIENDS ELATED

American Recognition and Supplies of Arms have Greatly Strengthened Nicaraguan Revolutionists

Bluefields, Nov. 27—The Norwegian steamship Utstein arrived here yesterday from New Orleans with 2,000 Mauser rifles, 250,000 rounds of ammunition and several pieces of light artillery for the revolutionists. The steamer also brought several Americans to operate the guns.

The followers of Gen. Estrada are elated over what they claim has thus far been a successful advance against Zelaya and are sanguinely predicting the fall of Managua, the Nicaraguan capital, within a short time. This air of hope has been considerably strengthened by the attitude of the U[illegible] threatening a demand of [illegible] ration for the death [illegible] Americans, Grace and Can[illegible]

Cannon and Grace Put Up as Targets

In an interview yesterday Gen. Chamorro, the revolutionary leader, said that when Grace and Cannon, the Americans, who it is said were executed by President Zelaya, were captured by Gen. Toledo near Greytown, Zelaya ordered them shot. Toledo refused to obey the order, but had them placed in the front ranks, where they were open to Gen. Chamorro's attack. They were uninjured, however, and subsequently were sent to El Castillo fort, where they were confined to the dungeons. Gen. Chamorro says he knows nothing further regarding Grace and Cannon.

Chamorro declares the blockade of Greytown is effective by sea and land, and is confident that the troops of Zelaya soon will give in. He left last night for Greytown with 300 recruits and a party of sharpshooters.

LIT HER OWN PYRE

Sad Fate of Florence Bishop, Once a Popular Actress

Rochester, N. Y., Nov. 27.—Dead in her smokehouse, a victim of fire, and probable suicide, the remains of Miss Florence Bishop, who was sixty years of age and in her youth a popular actress, was found early yesterday morning.

There can be no reason ascribed for Miss Bishop going to the smokehouse before daylight yesterday morning. When the crackling of the flames awoke other members of the household, they tried to extinguish the fire, but could not. They had no idea that Miss Bishop was in the fire until it had practically burned itself out, and then the recumbent form was discovered.

Williamstown, W. Va., Nov. 27.—Firing from the doorway of their home on a sheriff's posse, in order to hold the officers in check while their father and brother might have an opportunity to make their escape, Mrs. Charles Daniels and her sixteen-year-old daughter were shot to death by the posse, who returned the fire from the rifles of the women.

The tragedy occurred near Devon, Mingo county, late yesterday afternoon. The shooting grew out of a family feud between the Christian and Daniels family on the border of Kentucky and West Virginia.

While the shooting was going on in front of the house the Daniels men stole out at the rear.

WITHAM KEPT HIS WORD

The Noted Georgia Banker Bought Pocket Knives for 200 Boys in Sam Jones' Town

Atlanta, Nov. 26.—A story of W. S. Witham, the president of more than a hundred banks, has it that while in Cartersville the other day Mr. Witham as is sometimes his custom engaged in conversation with a young boy he met on the street and ascertaining that the boy possessed no pocket knife told him to meet him at the hardware store at 12 o'clock and to bring any other boys of his age who were without knives.

Mr. Witham was punctual and seeing a large crowd as he approached asked the meaning of it. He soon learned. The boy had told his school teacher about the stranger's generosity, and the teacher gave them all recess to go out and collect their knives. It is said that there were close to 200 of them. Mr. Witham was up against it but as always was game. He purchased all the knives in the hardware store and finding the supply limited, forwarded thirty-seven more for distribution among the kids after his return to Atlanta.

At the Close of the Jacksonville Show. Three Dead Men the Net Result

Jacksonville, Nov. 27.—After cutting the throats of Burt Woods, a showman attending the carnival here, and John Smith, his companion, Jesse Altman was shot and killed yesterday morning.

Altman and Smith first quarreled with Woods, and in the course of the difficulty Altman slashed Woods across the throat, leaving him dead in the street. Smith and Altman fled, making their escape to a suburb. There they fell to quarreling and Altman cut Smith's throat. Smith then snatched a revolver out of Altman's pocket and shot his murderer to death on the spot.

Altman has been twice arrested for murder, his previous victims having been negroes.

LAST HONORS TO D'ARMOND

Charred Remains of Brave Old Statesman and His Grandson Laid in One Grave

Butler, Mo., Nov. 27.—Hundreds of prominent public men of Missouri and other states joined the citizens of Butler county yesterday in paying respect to the memory of Congressman David A. D'Armond, who was burned to death in a fire destroying the D'Armond home Tuesday morning.

The congressman died in a vain attempt to save the life of his favorite grandchild, David A. D'Armond, Jr. The bodies of both victims were buried in one casket, following a service at the Methodist Episcopal church, of which the congressman was a member. The ceremonies were in charge of the Masons. No such show of affection and honor for a departed citizen has been displayed in Missouri in many years.
