REMOVAL SALE

Prices Still On at

The Globe

An Opportunity of A Life Time.

Though our great Removal Sale is now a thing of the past, we still have a great quantity of goods that must be disposed of before we move into our new store in the Anderson Block. In order to completely close out this stock before the first of January we have decided to let the Removal Sale price tickets remain on the goods until every vestige is gone. Those who visited our store during the past two weeks need not be told of the unprecedented bargains we have been offering on every piece of goods in the store, but to those who did not avail themselves of the opportunity, we wish to say that it will be many a long day before these prices will ever be duplicated by us or anyone else.

Shoes for All

A pair of our fine shoes placed right on top of the pile of Christmas presents, no matter whether for father, mother, sister or brother, will be appreciated as much as anything that you could buy, and, perhaps, more so than a lot of articles that are more for display than real worth. We can fit you in SHOES from the ordinary work shoe to the finest patent leather dress shoe made. In this department, as in the others, the "Removal Sale" prices will prevail until we move into our new store, on Jonuary 1st.

For Ladies' Wear

All the latest weaves, styles and designs in LADIES' SUITS, CLOAKS, SKIRTS and SHIRTWAISTS may be seen here. There is not a desirable color in suits that will not be found in this line, and then, too, the prices we are now getting for these goods will astonish you if you have not been to our store within the past few weeks. Our line of LADIES' HEAVY AND LIGHT WEIGHT UNDERWEAR is not surpassed in this part of Florida, either as to quantity, quality or price. Come and look over these goods.

Men's and Boys' Clothing

Our big stock of MEN'S and BOYS' CLOTHING still have the "Removal Sale" price tickets on them, and they will be left until the entire line is closed out. We don't intend to carry a single suit of clothes now in stock into our new store, so they MUST GO—if not at our prices, you own. Here is an opportunity to buy clothes for yourself and the boys at prices that will warrant keeping them for months if you are not in immediate need of them. We seek the trade of the man who has no money to squander, but who wants every cent to count.

House Furnishings

As there has been very little cold weather this season our line of BLANKETS and COMFORTS is almost unbroken, and though the "Removal Sale" tickets have been on them all the time for the past few weeks, there are great numbers of them still to be had for less than they can today be purchased for at wholesale. In this department may also be seen the best COUNTERPANES, SHEETS, TOWELS, NAPKINS, ETC., ever manufactured, and they are all included in the "must go" proclamation. A big line of Smyrna Rugs of all sizes and designes.

Our Salespeople

We have two of the best and most popular salespeople that ever came to Ocala. The leading man's name is Mr. High Quality, and his first cousin, Mr. Low Price, is equally as good a salesman. They will save you many dollars, especially at this time while the "Removal Sale" tickets are still on the goods.

TO THE VOTERS OF OCALA

I have allowed my name to go before the voters of Ocala as a candidate for the office of mayor of our city in the coming municipal election not for honor, power, glory or personal reasons, but simply to gratify the wishes of my friends.

I am not anxious for the office but if elected I shall do my duty and enforce the ordinances of the city and dodge no issue. Respectfully,

J. M. Meffert.

CAPT. DITTO HOLDING HIS OWN

Capt. W. L. Ditto was still alive this afternoon. He is at the DeSoto Sanitarium in Jacksonville and is receiving the best of care. His wife and sons, with the exception of Mr. F. W. Ditto of this city, are with him and the physicians say he may live for several days yet. All efforts to communicate with Mr. Frank Ditto have failed. OCALA IS APPRECIATED

The citizens of Ocala are as noble a people as inhabit the earth. During the writer's seven years residence in the city, three accidents have occurred to him. In each misfortune their showers of kindness, mountains of attention and oceans of sympathy have been limitless. Friends true have bedecked the unfortunate's room with God's thoughts—flowers. Thank you.

S. H. Blitch.

This is a company of artists and their performance is sure to be enjoyable. There are a few seats not yet taken, and there will be good investments for those who appreciate the highest class of amusement.
