Tersely Told

P. K. Yonge has gone to New York on a short business visit, and will be absent for about a week.

E. M. Sessoms, of Bonifay, is in the city on a short business visit, and is a registered guest of the Merchants.

Claude Touart and Willie Connor left yesterday for Mobile on a short business trip. They will probably return to-day.

C. C. Packard, editor of "The North and South", was in the city yesterday, arriving Sunday from a trip through Baldwin county. He will probably return to that section to-day.

The maximum temperature at Pensacola yesterday was 88 degrees at 12:10 m., while the minimum was 71 degrees at 5:30 a. m. Last year on the same date the maximum was 86 degrees and the minimum 76 degrees. The normal temperature for this date is 80 degrees.

Garold V. Lind, messenger at the weather bureau, has received notification from the department that his salary has been increased $10 per month, and imposing other duties upon him in addition to those now being performed.

C. M. Boyd, one of the attaches of the Georgia penitentiary at Chattahoochee, arrived in the city yesterday and left at noon having in his custody Henry Adams, a negro recently arrested by Chief Sanders who is wanted in Georgia, having escaped from the penitentiary, where he was serving a life sentence.

H. S. Laird, an attorney of Milton, who is well known in Pensacola, was arraigned before Judge Levy yesterday at Cottage Hill, upon the charge of having falsely imprisoned a party whom he arrested some weeks ago in this county upon the charge of being implicated in a Santa Rosa county murder. Mr. Laird waived examination, and was held to the criminal court under a bond of $500.

SAFETY BOARD IN SESSION

Number of Applications For Position in Departments Are Received.

The Board of Public Safety held its regular semi-monthly meeting last night, with Chairman Oliver presiding, and Messrs. Anson, Radcliffe, and Schad present. With the exception of the routine business and the board going on record as favoring the city furnishing horses for the mounted officers, and the receiving of a number of applications for positions in the police and fire departments, there was but little business discussed.

Bobe Tries to Resign.

The first matter to receive attention was the reading of charges preferred by Marshal Sanders against Mounted Officer F. S. Bobe, for absenting himself without leave for three days within 30 days, and conduct unbecoming an officer. The accused was called, but did not respond, and although notice had been served upon him it was decided to postpone action until the next meeting in order to give him another opportunity to appear. At the same time his resignation was read, but refused.

Chairman Radcliff, of the committee to enter into negotiations with J. E. Taylor regarding the East Hill truck house, reported that the old building could be leased for $15 per month, or Mr. Taylor will erect a two-story building near the same location for $25 per month. The latter was favored, and the council requested to allow this amount for the monthly rental.

Marshal's Discretion.

Regarding the request of Patrolman Hall to be transferred to the mounted force, the board gave the marshal the power to use his own discretion in such matters, and during this discusison the board went on record as favoring the city owning the stock necessary to mount patrolmen, as by not doing it is frequently the case that an officer is sick, and the territory which he patrols is left without protection. The council will later be asked to make a sufficient appropriation to cover the expense of purchasing a sufficient number of horses.

A petition from residents of East Hill for an extention of the water mains, was tabled subject to call.

Chief Bicker was granted a leave of absence of fifteen days.

Applications of J. E. Cook and Frank Williams for positions in the fire department, were read, approved by the chief, and both were elected, subject to examination before the board.

Jeff Herrington was elected a member of the police department, and the applications of Otto Gleinow, Chas. Nell and Frank Gassman were referred to the marshal.

THE SHERIFF MAKES A RAID

Arrests Seventeen Colored Baseball Players for Violating Law.

Sheriff Jas. C. Van Pelt and a number of his deputies made a raid Sunday afternoon on a baseball game which was in progress in the eastern section of the city, and arrested seventeen colored baseball players. The arrests followed numerous complaints regarding the violation of the Sunday law by the negroes, who had been warned to desist.

When the officers arrived the game was at an exciting point, but all interest ceased in the sport when the negroes caught sight of the officers, and they attempted to make their escape. Some succeeded but a large number of them were captured and placed in jail.

Yesterday the negroes went before Judge Beggs in the criminal court and entered pleas of guilty. They were fined from $2.50 to $4.00, but the collection of some fines were suspended upon condition that they cease playing on Sunday.

YOUR GRANDMOTHER USED IT.

But She Never Had Sulphur in Such Convenient Form as This.

Your grandmother used Sulphur as her favorite household remedy, and so did her grandmother. Sulphur has been curing skin and blood diseases for a hundred years.

But in the old days they had to take powdered sulphur. Now HANCOCK'S LIQUID SULPHUR gives it to you in the best possible form and you get the full benefit.

HANCOCK'S LIQUID SULPHUR and OINTMENT, quickly cure Eczema, Tetter, Salt Rheum and all Skin Diseases. It cured an ugly ulcer for Mrs. Ann W. Willett, of Washington, D. C., in three days. Taken internally, it purifies the blood and clears the complexion. Your druggist sells it.

PAST TERM A FINE ONE

Warrington Convent Closes One of the Best Terms in Its History.

The distribution of prizes and closing of the convent school at Warrington took place yesterday (Monday) afternoon, in the presence of the parents and friends of the pupils.

The program was a varied one, and the children who took part in it showed careful training.

The opening chorus, "Te Deum," was admirably rendered by the whole school and the tots gave the visitors a very pleasant surprise in the rendering of "In the Land of the Great Mikado," and gained a round of applause.

The music, instrumental and vocal, was of the usual high order, but the selections of Misses Mildred and Marie Grossjohann deserve special mention. They were characterized by great vigor of interpretation and excellent execution.

With these exercises the school closes a very successful year, not only for the large number of pupils on its rolls, but also for the excellent work done by them. As a result, many prizes were awarded by the very Rev. D. A. Brady who spoke words of praise and encouragement to the children, and tendered to them his thanks for the pleasure they had given him.

The following medals were awarded:

Gold medal for Christian Doctrine, donated by Rev. D. A. Brady, won by Master Magnus Grossjohann.

Gold medal for excellence, Senior grade, girls, donated by Mr. James McHugh, won by Miss Edna Chaffin.

Misses Lillian Touard and Flora Cooper deserve special mention for excellent examination.

Gold medal for excellence, senior grade, boys, donated by Marston & Quina, merited by Master Magnus Grossjohann and Charles Marion won by Master Charles Marion.

Gold medal for attendance, donated by "A Friend," merited by Misses Lucille Benton and Winnie Youde, and by Masters Charles and William Marion, Peter McGinn and Victor Huggard, won by Master William Marion.

The Sisters of Mercy desire to express their gratitude to the friends who donated medals for the past year's work in the convent.

HEAD OF THE ODD FELLOWS

Grand Master White of Jacksonville Here on an Official Visit.

J. W. White, grand master of the I. O. O. F. of Florida, was among the good roads arrivals last night, coming from Jacksonville. He was met at the depot by a delegation of local Odd Fellows, who accompanied him to the Merchant's Hotel, which will be his headquarters for the next three or four days during his visit.

Grand Master White told the district deputy grand master that he could meet with the lodges of Pensacola on Thursday night, and it has been decided to call a joint meeting of the lodges for that night, at 7:30 o'clock, when he will pay his official visit.

To-morrow night the grand master will visit the lodge at Warrington. Friday night he will be in Powelton, and Saturday night at Century.

NOTICE.

Officers and chevaliers of Canton Merritt Lodge No. 1, I. O. O. F., are requested to attend a joint meeting Thursday, June 17, at 7:30 p. m., in fatigue uniform.

KILLED BY HIS VICTIM'S BROTHER

By Associated Press.

Eaton, Ga., June 17.—Living long enough to drag himself from the field to the house and tell his family he "was shot by one of the Jones boys," Robert F. Adams died to-day. Four years ago Adams killed "Kish" Jones and was acquitted on the gound of self-defense.

A UNIVERSAL FOOD
Following Nature's Footsteps.

"I have a boy two years old, weighing forty pounds and in perfect health who has been raised on Grape-Nuts and milk.

"This is an ideal food and evidently furnishes the elements necessary for a baby as well as for adults. We have used Grape-Nuts in large quantities and greatly to our advantage."

One advantage about Grape-Nuts Food is that it is pre-digested in the process of manufacture; that is, the starch contained in the wheat and barley is transformed into grape-sugar by exactly the same method as this process is carried out in the human body, that is, by the use of moisture and long exposure to moderate warmth, which grows the diastase in the grains and makes the remarkable change from starch to grape-sugar.

Therefore, the most delicate stomach can handle Grape-Nuts and the food is quickly absorbed into the blood and tissue, certain parts of it going directly to building and nourishing the brain and nerve centres. "There's a Reason."
