## SOCIAL CALENDAR

SATURDAY.

Luncheon at Country Club in honor of Miss Annie LeBaron—hostess, Mrs. L. J. Reeves.

**There Are Chances For You.**

Don't complain that all is naught,
Don't be of sweet hope bereft.
All the big fish are not caught,
In the sea there's plenty left.
All worth doing is not done,
All the prizes are not won.
Much remains for strength and skill,
You have got some chances still.

Something still remains to learn,
Fallow land awaits the plow.
Anywhere that you may turn
Work invites the worker now.
Things to make and things to break,
Things to bring and things to take,
Things to empty, things to fill,
You have got some chances still.

Lots to do for earnest men,
Hammer, shovel, ax and hoe,
Graver, chisel, brush and pen
Call them now as long ago.
Don't give up or lag behind,
All the gold has not been mined.
Tackle something with a will,
You have got some chances still.

### CHILDREN OF MARY GIVE PRETTY ENTERTAINMENT.

One of the most interesting entertainments of the season took place last night at the K. of C. hall under the auspices of the Children of Mary Society.

A large and appreciative audience was in attendance, the program having passed off in an exceptionally pleasant manner.

Given in a cause worthy indeed, the entertainment was one of interest to everyone, a fact which was evident from the large attendance.

The Bijou theatre and the Orpheum had each contributed attractions, which, with the bright selections of the young people themselves and the presence of very good outside talent resulted i na satisfactory program.

To mention the numbers which were exceptionally well received would be an impossibility, when it is considered that every number was a gem within itself, and deserving of the general applause received. The Children of Mary Sodality, in fact, is deserving of much credit in the rendition of last night's program, which also reflected brilliantly the capable manner in which the evening had been primarily planned.

The following program was rendered:

Overture, selected—Prof. Seel's orchestra.

Members of Milton Temple and Magnolia Temple were present, the evening having been one of rare interest among those fortunate in being present. GOLDEN NUGGETS FOR SALLOW PEOPLE

**Your Druggist Says**

**Ask Your Druggist**

The great army of American druggists are mighty intelligent and well-educated men.

They know the properties of drugs and medicines, and have experience with all kinds of troubles, which people come into the store to ask relief for.

So their practical knowledge is very valuable, and their advice is worth a great deal to all sick people.

If you know your druggist well enough to ask his advice for your female trouble, do so, and he will tell you that thousands of women have written letters, telling of relief obtained from taking Cardui.

In his experience, he has heard and read of many cases of female weakness, which have been relieved or cured by Cardui. So, when you ask his opinion, he will not offer a prescription, but will probably say: *"Take Cardui."* And you will do well to follow his advice.

Cardui is advised in all the common forms of womanly trouble, due to disorders peculiar to females.

It has been found to relieve or prevent headache, backache, side ache, dragging sensations, nervousness, irritability, irregularity, and general female weakness and misery.

Many thousands of sick ladies have been restored to health, by the use of Cardui, and have written to tell of the good it did them.

Cardui is composed of pure, vegetable ingredients—hence has no harmful effects, like many mineral compounds. It acts gently and naturally, is good for young and old, and should be in every lady's home, even if not an invalid, to take during her bad days.

What others, who have tried Cardui, say about it, should surely be of interest to you, as showing what you may expect it to do for you. Hence this letter from Mrs. Tempie Clark, of Timberville, Miss., one of the thousands who have written in similar strain, will, we hope, be read by you.

She says: "Cardui has been worth more to me than a carload of silver. If it had not been for Cardui, I would have been dead. I love a dollar, but I have never seen one that I think as much of, as I do of a bottle of Cardui. I now keep it in my house, as regularly as I do coal oil or coffee, and have done so for years.

MRS. TEMPIE CLARK, Timberville, Miss.

"Some years ago, I jumped off a horse and had a mishap, and for about 4 years after that, I suffered intense agony, irregularities, bearing-down pains, etc. At last I was induced to try Cardui, which cured me, and now I am well and happy.

"I am sure that Cardui will cure other sick ladies as it has me."

Cardui is carried, as a standard remedy, on the shelves of all reliable drug stores. Your druggist will recommend it, and will gladly sell you a bottle, with full directions for use, on the inside of the wrapper.

If in doubt, ask him.
