PENSACOLA, FLORIDA, THURSDAY MORNING, JULY 29, 1909.

UNITE FOR THE SUCCESS OF THE TRI-COUNTY FAIR.

The instant and most imperative call to the progressive forces of Pensacola is to solidly combine to make the tri-county fair a complete success. The undertaking is far from being a light one. It will be weighted with numerous cares, complicated by an intricate web of detail and obstructed by many rough and troublesome obstacles.

Those directly concerned in its production deserve and should receive the earnest support of the mass of our people. They show themselves to be public-spirited citizens, alive to the interests of the city and should be cheered on in the good work by the sympathy and help of all.

The ten sub-committees of the joint committee of the Merchants' Association and Chamber of Commerce will this morning commence their visits to the business men of the city, seeking subscribers to the stock of the Fair Association. The eagerness of several business houses and individuals to be placed among the subscribers Tuesday confirms the Journal's heretofore expressed opinion that the people give enthusiastic approval to the holding of the fair.

Tuesday's volunteered subscriptions amounting to six hundred and twenty-five dollars were, we believe, a happy augury that the collection of the needed seven thousand dollars will prove a comparatively light task, and that each of the sub-committees, when making its report this evening, will show a substantial addition to the treasury of the association.

The committee should remember, however, that a fuller success will be insured by a large number of small subscribers, than by a small number of large subscribers, for every stockholder, large or small, will become most active in securing that success.

And citizens unable to subscribe largely should not permit false pride to deter them from investing even in one share of the stock; which, by the way, would be no insignificant contribution toward the good cause. But every man interested in the city should make up his mind to do something to advance an undertaking which will prove of inestimable benefit to Pensacola and the three counties which will participate.

The Journal hopes the sub-committees will meet nothing but cheerful faces, willing hearts and open hands; which will be the happiest harbinger of success and the greatest inspiration to work for those who are particularly devoting their time and labor to the fair.

Let us, then, be up and doing
With a heart for any fate;
Still achieving, still pursuing,
Learn to labor and to wait."

Study the creed, citizens.

EVERY "AD" IS A BOOST.

Get the talking habit—about Pensacola.

ADVERTISE—THERE'S NO OTHER WAY.

Never acknowledge defeat: "never say die."

Those uncultivated fields near the city can be made to blossom as the rose.

Pluck, push and perseverance—the three guardian angels of your genuine booster.

"Faint heart never won fair lady," and it never won a new wharf or a new railroad either.

Orville Wright has carried a passenger in his aeroplane; now let him drop a package of nitro-glycerine and all will be well.

You must have been down the first time you arose and if you are down now there is nothing to prevent your getting up again. In the book of life there is no such phrase as "down and out."

It looks as though Mr. Consumer may soon be able to shout over the telephone, "Say, send me in a couple of raw hides for breakfast!" and get them cheap. They might make good soup if too tough for broiling.

Every business letter leaving the city should be enclosed in an envelope advertising the fair and should contain a colored slip concisely, forcefully and clearly setting forth the many advantages offered by Pensacola and West Florida and calling attention to the fair which will exhibit these advantages.

The Journal is glad to know that it was mistaken in its assumption yesterday that the city had not begun to disinfect the garbage pile, information having been received that five barrels of lime were distributed on the pile last Saturday. This was followed up by five more barrels Monday and the same quantity yesterday, and its application will be continued every two days. This is indeed good news and it is hoped that those living in the neighborhood of the dumping grounds will have no further cause for complaint on this score.

EVERY BOOST IS AN "AD."

The board of public safety certainly developed a singular lack of knowledge of public affairs on the part of Pensacola's police officers, and it would not be a bad plan for the board to establish a college for police instruction along this line, holding regular examinations two or three times a week.

Cast aside doubt, cast aside fear, cast aside prejudice, cast aside selfishness, cast aside that fatal acquiescence to despotic interests which strive to suppress your independence, cast aside every thought and feeling that withholds you from an enthusiastic co-operation with the people of the Deep Water City in a mighty crusade to secure for it the prosperity, prominence and power to which it is entitled.

Here is a much needed committee, and it remains for the Chamber of Commerce or the Merchants' association to appoint it and see that it gets to work immediately: it is a committee to visit every business house in the city, to see that each of these houses is provided with envelopes and slips for enclosure in letters advertising Pensacola and the tri-county fair, and afterwards to follow the matter up and gain assurance that the slips and envelopes are being used.

Whose city is this? It belongs to all. It is the merchant's, it is the banker's, it is the master's, it is the matron's, it is the youth's, it is the maid's, it is the rich man's, it is the poor man's, it is the strong man's, it is the weak man's, it is his who rides in a four thousand dollar automobile, it is the bare-legged street urchin's who carries the stranger's grip—it shelters them all, it provides for them all. Therefore all should unite in singing its praises, in playing on well-tuned boost horns of various calibres, from the little kazoo up to the big, bellowing double bass.

Foley's Honey and Tar not only stops chronic coughs that weaken the constitution and develop into consumption, but heals and strengthens the lungs. It affords comfort and relief in the worst cases of chronic bronchitis, asthma, hay fever and lung trouble.

PENSACOLAS TOOK SECOND GAME OF SERIES

PLAYED GOOD BALL AT MAGNOLIA BLUFF AND DEFEATED NSHVILLE BY THE SCORE OF 3 TO 2—DOUBLE HEADER TODAY.

By playing a fast and clean game of baseball the Pensacolas took the game yesterday afternoon from Nashville, thus winning a majority of the games played. The score was 3 to 2, showing that the Nashville players also put up a good article of ball.

Gordon was in the box for the locals and pitched superb ball. He received good support. Several errors were chalked up against the locals, but each player redeemed himself in the eyes of the fans by pulling off a good play.

Weber caught Gordon remarkably well, while the whole team played winning ball.

The score follows.

Pensacola—	AB.	R.	H.	PO.	A.	E.
Roach, ss.	4	0	0	4	4	2
Jones, lf.	4	0	0	2	0	0
Sanchez, 2b.	3	1	0	2	3	0
Van Metre, cf.	3	0	1	0	0	0
Bicker, rf.	4	0	0	1	0	0
Griffin, 1b.	3	1	3	7	2	0
Touart, 3b.	4	1	2	2	2	2
Webber, c.	2	0	2	9	1	2
Gordon, p.	3	0	0	3	4	0
	30	3	8	30	16	6

Nash. Ams.—	AB.	R.	H.	PO.	A.	E.
Dorsey, 1b.	3	1	2	8	0	0
Hopper, 2b.	3	0	2	4	0	0
Moyan, 3b.	4	0	0	2	1	2
Kidd, cf.	4	0	0	1	0	0
Searcy, c.	5	0	0	7	1	2
Catignani, ss.	2	1	0	0	3	1
Sherlock, rf.	4	0	0	3	0	0
Smith, p.	3	0	2	2	4	0

FLORALA TEAM WILL PLAY THE PENSACOLAS

FAST TEAM WILL MEET THE LOCALS AT PALMETTO BEACH THIS AFTERNOON.

The Florala baseball club will arrive in town this morning on the 11 o'clock train, and will bring one of the strongest teams they have ever lined up against local players. The game at Palmetto Beach this afternoon between the Floralas and Pensacolas naturally promises to be a hard fought one. When the Florolas "went up against" the Pensacolas last year they verily did maul them to a frazzle, and it was this game that helped them win their laurels as the champions of West Florida. The team selected to meet them this afternoon is one of the best, and is picked from the most prominent list of baseball players in town. The game tomorrow between these two teams will also be a hard fought one, and it remains to be seen which of the two teams will take the two respective games. The game this afternoon begins at 3:30 on the arrival of the 3:15 car. Directly after the game Prof. Schwarz, the balloonist, makes an ascension of 2000 feet in his balloon Nero.

SURPRISED HIM.

Doctor's Test of Food.

A doctor in Kansas experimented with his boy in a test of food and gives the particulars. He says:

"I naturally watch the effect of different foods on patients. My own little son, a lad of four, had been ill with pneumonia and during his convalescence did not seem to care for any kind of food.

"I knew something of Grape-Nuts and its rather fascinating flavour and particularly of its nourishing and nerve-building powers, so I started the boy on Grape-Nuts and found from the first dish that he liked it.

"His mother gave it to him steadily and he began to improve at once. In less than a month he had gained about eight pounds and soon became so well and strong we had no further anxiety about him.

"An old patient of mine, 73 years old, came down with serious stomach trouble, and before I was called had got so weak he could eat almost nothing, and was in a serious condition. He had tried almost every kind of food for the sick without avail.

"I immediately put him on Grape-Nuts with good, rich milk, and just a little pinch of sugar. He exclaimed when I came next day 'Why doctor I never ate anything so good or that made me feel so much stronger.'

"I am pleased to say that he got well on Grape-Nuts, but he had to stick to it for two or three weeks, then he began to branch out a little with rice or an egg or two. He got entirely well in spite of his almost hopeless condition. He gained 22 pounds in two months which at his age is remarkable.

"I could quote a list of cases where Grape-Nuts has worked wonders."

"There's a Reason." Read "The Road to Wellville," in pkgs.

Ever read the above letter? A new one appears from time to time. They are genuine, true and full of human interest.

Notice—The owners will not be responsible for debts made by anyone other than themselves.

NASHVILLE TO REMAIN HERE FOR TWO DAYS

WILL MEET THE PICK OF THE POST TEAM AT MAGNOLIA BLUFF FOR THE FIRST GAME OF A DOUBLE-HEADER TODAY, BAGDAD PLAYING THE SECOND GAME.

The fast Nashville team, which has just concluded a series of three games with the Pensacolas, will remain in the city for two more days, playing at Magnolia Bluff.

This afternoon a double-header is to be played. The pick of the Post league is to be the first team to go against Nashville, and this game promises to be hard fought, as some fine players have been picked from the league. The second game will probably be between Bagdad and Nashville.

Another double-header is being arranged for Friday afternoon at the bluff.

GAMES IN THE POST LEAGUE

SEVENTY-SEVENTH AND 163RD COMPANIES WON IN THE DOUBLE HEADER AT FORT BARRANCAS YESTERDAY AFTERNOON.

The usual doubleheader was played in the Post league at Fort Barrancas yesterday afternoon, resulting in victories for the Seventy-seventh and 163rd companies. The scores follow:

	R.	H.	E.
77th company	11	9	4
Band	0	7	8

Batteries: Person and McCeon, Bonner and Dutch. Umpire, Nabers.

Second game—	R.	H.	E.
163rd company	9	8	4
22d company	6	7	9

Batteries: Fountnot and McNemee; Cummins and Nabers. Umpire, Dutch.

A postponed game between the 77th and 163rd companies will be played off today.

CAPT. J. ED. O'BRIEN IN CITY FOR FEW DAYS

Capt. J. Ed. O'Brien, president of the American Bar Pilots' Association, is in the city on a visit of a few days and is being warmly greeted by his many friends.

Parkway Plan Referred to Committee of Five

(Continued From First Page)

ing ordinance was referred to the finance committee.

Chairman Pfeiffer of the printing committee reported the new rules for the council and 200 copies were ordered printed.

Chairman Moyer of the franchise committee reported adversely on the ordinance granting the L. & N. railroad the privilege of unloading cars at certain points on Tarragona street.

The ordinance granting Goodman, Dobson, et al, a street railway franchise was laid over, pending some changes desired by the grantees.

Chairman Bushnell of the bond trustees recommended a change in the Gadsden street paving grades between Eighth avenue and Twelfth avenue to conform to the Farquhar grade.

Total Expenses for June		$19,495.25

Respectfully submitted,
JNO. G. WARD,
Camptroller.

Tax Collector J. C. Whiting reported the taxes collected from Oct. 13 to July 1 as $163,740.11.

Alderman Dunham gave notice that at the next meeting he would introduce an ordinance amending the plumbing ordinance.

Palafox Parkway.

The Palafox street parkway matter came up by the reading of the communication from the Citizens Committee which included the letter received by the committee from the bond trustees.

Alderman Concannon offered a resolution providing for a change in the paving plans on Palafox street in accordance with the citizens' communication, and Alderman Kugleman introduced a resolution calling for a change in the location of the street car tracks as provided in the Kessler plan.

Chairman Bushnell of the bond trustees read a letter from the bond trustees agreeing to the change of paving plans, but only on condition that the street car lines be permitted to remain in the center of the parkway as at present.

Alderman Williams said that he was in full sympathy with the plans to beautify Palafox street and he wanted to see them carried out if it were practicable to do so. This, he said, was the most important park in the city and the one that would attract the most attention. He thought, however, that the matter was too important a one to be settled at this meeting and he moved the appointment of a special committee of five by the president to confer with the citizens committee and investigate all phases of the case, and to whom also all of the resolutions and communications should be referred for report back to the council.

Alderman Concannon thought the whole matter should be acted upon at once and Alderman Kent thought that either the parks and ways committee or the whole council should sit as a committee in the matter.

The motion of Alderman Williams was finally carried, however, and the committee was appointed as above.

A resolution by Alderman Moyer directing the board of public works to sprinkle Tarragona street between Government and Gregory streets was adopted.

Alderman Bear introduced an ordinance, which was read the first time, providing for a double pavement on Gadsden street between Eighth avenue and and Twelfth avenue.

Alderman Williams, by request, introduced the ordinance providing for a change of paving grade on Gadsden street to conform to the Farquhar grade. He also introduced an ordinance providing for an enlargement of the lot for school No. 27 by the abandonment of M and N streets south of Patterson street in the Maxent tract and the opening of a new street there.

The ordinance providing for a plat of the Lakeview tract was read the second time.

The ordinance defining the sidewalk limits was read the third time and passed.

President Greenhunt appointed Alderman Williams to serve on the finance committee until Alderman DeSilva returns, Alderman Bear being acting chairman in the latter's absence. He likewise appointed Alderman Welsh to serve on the finance committe during Mr. DeSilva's absence.

The council then adjourned.
