Forced to Leave Home.

Every year a large number of poor sufferers whose lungs are sore and racked with coughs are urged to go to another climate. But this is too costly and not always sure. There's a better way. Let Dr. King's New Discovery cure you at home. "It cured me of lung trouble," writes W. R. Nelson, of Calamine, Ark., "when all else failed and I gained 47 pounds in weight. Its surely the King of all cough and lung cures." Thousands owe their lives and health to it. Its positively guaranteed for Coughs, Colds, LaGrippe, Asthma, Croup—all Throat and lung troubles. 50 cents and $1.00. Trial bottle free at the St. Lucie Drug Co.

The Perry Herald is not pleased with the suppressing methods of the "great state paper" and says: The Times-Union, as we have said all along, is a great newspaper, but it injures itself and doesn't help its cause any when it fails to give the news just because the news does't suit it. When people have to take a Savannah daily to get such interesting news as the reading of a letter at Miami last Saturday incriminating certain big Florida politicians and a United States senator, they do not speak in very complimentary terms of the big state paper, in which they have a right to expect the news This is merely another instance where the T. U. "queers" itself with those who believe in fair play on all occasions.—Pensacola Journal.

A Knocker

is a man who can't see good in any person or thing. Its a habit caused by a disordered liver. If you find that you are beginning to see things through blue spectacles, treat your liver to a good cleaning out process with Ballard's Herbine. With the inauguration of the Potato Special by the Florida East Coast Railway the potato season is on in earnest at Elkton and Hastings. The first special pulled north Friday night with twenty-seven solid carloads of the very best St. Johns county Murphies, bound for the northern markets. Prices are understood to be prevailing at a good figure. It is stated by some of the growers that a very late crop is expected this year. The harvesting will be going on for over a month yet in their opinion.

The follies of a wise man are often a fool's wisdom.

Eminent Authorities Say

that out-door execise is needed by the American People. That's all very well. How can people with rheumatism follows that advice? The answer is very simple—use Ballard's Snow Liniment and the rheumatism will go; leaving you as spry as a colt. Gives quick and permanent relief from rheumatism, neuralgia, lame back and all pains. Sold by St. Lucie Drug Co.

Queer Diamond Superstition.

"The diamond mines of India fail to pay mainly on account of a queer belief on the part of the native miners," said a jeweler.

"The miners believe that diamonds grow, sometimes slowly, sometimes quickly; hence if they dug over a piece of promising clay last year, as like as not this year they give it another digging over, lest they miss some stones that have sprouted in the meantime.

"Thus half the labor is waste labor, and hence the diamond miners of India don't get on at all."

Mrs. Lapsling was in a high state of indignation. "I'm done with Mrs. Whilks," she said, her eyes snapping. "She got hold of a letter I wrote to my brother in which I said something about the Snaggses, and she's going around giving a gargled version of it."—Chicago Tribune.

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.
