

ing to reports he did all possible to sabotage the meeting and eventually succeeded in so doing.

Many of the persons present said that his manners and behavior at this meeting was certainly not becoming an Islandcouncil member. At a particular stage of the meeting he even went as far as to state in a somewhat dictatorial manner: "There will be no cricket club in Philipsburg, and there will be no more meetings."

Mainly because of his attitude, the meeting ended in confusion.

The big question is, whether such fine cricketers as abovementioned are going to allow Islandcouncil member Clem Labega who has no interest in sports what-so-ever to intimidate them and prevent them from forming a cricket club in Philipsburg?

According to information, a friendly game of cricket will be played between the girls of Philipsburg and those of French Quarter either on July 13, or on July 14.

Up to press-time the correct day was not yet set, but we were assured that it will be on one of the days abovementioned.

Since the girls' cricket team from Philipsburg does not have enough players, the match will not be Dutch v/s French, but will be a scratch-match between the two teams with each side consisting of players from both teams.

The ~~Bar~~ready Cricket Club of Sucker-garden is busy making plans to visit Anguilla around August-Monday for the purpose of playing a match of cricket against Anguilla.

The club is planning to have a dance at the P.M.I.A.-Hall at Philipsburg on Saturday July 15, for the purpose of raising money to help finance the trip.

We would like to appeal to all, to attend this dance and support the "boys" to make the trip to Anguilla.

A large crowd turned out on Saturday July 1st. to see The Caterpillars edge out the Y.M.S.C. Baseball club of Cul-de-Sac by the score of 9 to 7 in the best game ever seen on the island.

Edwin Philips held the proud Caterpillars scoreless for five full innings and tried hard to pitch his first shut out, but however after a line drive from Harry Carty into center field and a wrapping double by Jean Illidge scoring two runs to make the score 3 - 2 things then changed, in the sixth.

The Y.M.S.C. in their turn scored 2 in the seventh and one in the eighth ... H. Scott took over the pitching job from E. Philips in the eighth and walked the three top batters and an error by the shortstop off the bat of "Lucky Strike's" all time star Victor Annichargo scoring three big runs, then Glen Martin and E. Violenus both collected another walk and came across the plate on a triple by Jean Illidge to lead and win the game 9-7.

On Sunday July 2, the same fans came back to see the Y.M.S.C. coming back to defeat the Marigot team 14 to 8.

The country boys again had the entire game under control with the steady pitching of "The Star" Edwin Philips.

Marigot had their best inning in the fourth when James, Lynch and Brookson got on on hits and an error at second off Mano's liner and another error at third off Jolie's hit scoring four big runs, making the score 6-4.
