

in Guadeloupe.

Sometime ago a serious accident took place at Grand Case. The injured youth was rushed to the hospital in Marigot - There was no doctor (Dr. Petit was in Guadeloupe) After staying in the hospital at Marigot for sometime without a doctor, he was brought to the hispital in Philipsburg. This youth died a few days later as a result of the accident. Sometime after this, it is reported that a child took sick at Grand Case, when it was ruch to Marigot there was no doctor (Dr. Petit was in Guadeloupe) The child was brought to Philipsburg, and had to be operated on immediately. Earlier this week a lady took sick at French Quarter, and had to be rushed to the St. Rose Hospital in Philipsburg because Dr. Petit was in Guadeloupe.

Some people make jokes about this sad state of affair, and say that Dr. Petit has a medicine which is called: "Keep well, by Dr. Petit", and that before leaving for Guadeloupe he gives this dedicine to the people of French St. Martin. We however, do not consider this a joking matter, because we can never joke about the suffering of our fellow man.

We feel that something should and must be done to correct this situation, because, like in most other cases on our beautiful little island, it is the working man, and the working man only who suffers; those with the means, can easily fly to Curacao, Puerto Rico or even the U.S.A. for medical attention, but the working man and his family are forced to "grin and bear it".

MR. DR. DEBOSTA GOMEZ VISIT TO WINDWARD ISLANDS' GREAT SUCCESS

(Continued from our last issue)

On Tuesday March 27, at about 11 o'clock in the morning Doctoor accompanied by Jackie Voges, Henry Every, Mrs. Jas (Courage) Labega-Bryan, Mr. Calvin Holm and Mr. and Jose Lake, Sr. left the Fort Bay for St. Maarten. A large crowd of Sabians were at the Bay to say adieu to all those who were leaving in general, but in particular they had come to take leave of their former Administrator, the first Sabian ever to fill the function of Administrator of Saba, a young man of courage and determination, who by his honesty, straight-forwardness and love for Saba, has become to Saba and Sabians the very symbol of clean administration.

The group arrived at St. Maarten about 1:30 p.m.

The following night a political meeting was held at the Oranje-school yard in Philipsburg by the W.I.P.P. - This meeting was attended by hundreds of people from all over the island.

The people listened attentively as the various speakers explained the issues of the campaign and pointed out the injustice of the "starvation-wages" - explained how Milton Peters was attempting to take the people of Cole-bay for "a ride"
