More than 300,000 young men subscribe to the ideals of Junior Chamber International, as the global affiliation of the organization is called. As such they constitute the largest young men's organization in the world.

All Jaycees are expected to subscribe to its Creed ... which states:

- That faith in God gives meaning and purpose to human life;
- That the brotherhood of man transcends the sovereignty of nations;
- That economic justice can best be won by free men through free enterprise;
- That government should be of laws rather than of men;
- That earth's great treasure lies in human personality; and
- That service to humanity is the best work of life.
