C R I C K E TCRICKETERS FROM ARUBA TO VISIT ISLAND

We were informed by a reliable source that a group of cricketers from Aruba will visit the island for the purpose of playing a series of games with our cricketers. This will take place in the first week of August 1962.

The local cricketers under the leadership of such widely-known (island-wise) cricketers, as Mr. Vance (David) James, Sam Hazel, J. Illidge and Ivy Hubert are going all out to make this occasion a success - there are plans afoot to keep dances to raise money, and the boys have been busy during the week preparing a "pitch" at the Sport field in Cul-de-Sac.

We hope that all will go well and appeal to the general public to assist as much as possible in order to make this occasion a success.
