

Through the close cooperative work of the members of our Government, (who are always in a complete understanding with each other) we have been able to make

 E V I N R U D E means SERVICE

all these points of progress possible all over this island. And you can rest assured that this is not the end, but only a part of the beginning, Thank you.

EXPLOSION AT THE ELECTRIC PLANT AT
 BALASHI

An explosion took place at Aruba on the morning of October 25, 1963. One person was killed and another was seriously injured by the explosion which occurred at the Electric Plant (of the water distillery) at Balashi, which is now being enlarged.

The large scale enlargement of the Electric Plant was necessary to meet the need for more electrical power by the operation of the chemical plant which has been recently built. The ex-

PAN AM FLYING MEDICAL SUPPLIES FOR
 HURRICANE RELIEF IN GRENADA

Four tons of emergency medical supplies for hurricane sufferers on the island of Grenada, off the north coast of South America, are being flown out of Miami this weekend by Pan American Airways.

 for sound and style N O R D M E N D E

The shipment, provided by the Catholic Medical Mission board and carried by Pan Am without charge, will aid victims of Hurricane Flora's destructive sweep when she began her northern march some two weeks ago.

Pan Am has carried 57,775 pounds of supplies for relief of Flora's victims in Haiti.

ISLAND COUNCIL TO MEET TODAY

The Island Council of the Windward Islands, Section St. Maarten will meet today at 9 a.m. at the office of the Lt. Governor, in Philipsburg.

Two important Island Resolutions will be handled by the Council at this meeting - One is a Resolution regulating motor-boat operation and skiing, in Philipsburg, Simpsonbay and Little Bay harbours - The other is a Resolution dealing with the catching of lobsters. This Resolution will forbid the catching of lobsters under a certain size and its purpose is for the preservation of lobsters in our waters.

WORK ON FILLING OF POND STARTED

Work has started on the filling of the first section of the Pond in order to enlarge Philipsburg.

The section which is being filled is an area about 10,000 m<sup>2</sup> at the "Head-of-the-town". This section will be filled by trucks and the well known contractor, Mr. J. Deldevert has been given the contract to do this job.

The section when filled will become the first modern shopping area in Philipsburg - According to our information, Spritzer & Fuhrmann, El Globo, and others have plans to build modern stores in this area.
