Cock-fighting:

The Cock-fighting season opened with a "bang" on Sunday, December 8, at the pit of Philip Arnell at Grand Case.

The battle of the day was a match between "Patricia" of Belle Plaine and "Any moon" of French Cul-de-Sac. Betting on this battle was high and the battle was long and fierce - "Patricia" finally won the battle by killing "Any moon".

The Simpsonbay group started off the day with bad luck by losing the first three battles, but after lunch the boys from Simpsonbay hit luck and won five straight battles.

All said and done it was a good day for the lovers of this exciting if even somewhat cruel sport.

Domino:

The Braves Domino team of Philipsburg under the leadership of Clem Labega, continued its winning streak, by defeating one of the leading domino teams of Marigot on Sunday December 1, 1963.

Football:

On Sunday December 1, a record crowd turned out on the field at Cul-de-Sac to witness the "Eleven Brothers" of Philipsburg and the "Speed of Marigot, Clash for the St. Maarten Day Cup".

These two teams had played for this "Cup" on St. Maarten Day" (Nov. 11, 1963) but the game had ended in a draw.

It was an exciting game, and the players of both teams played well. The boys from the French part however won the match 3 - 2.

At the end of the match the "Cup" was presented to Mr. B. Hodge, President of the "Speeds" by the Lt. Governor J.J. Beaujon - Who congratulated him on the victory and explained that the "Cup" was a three year challenge cup, and would have to be contested for again next year. Any team which won the "Cup" twice, would be entitled to it.
