TWO PILOTS APPOINTED FOR NEW PIER

Two pilots have been appointed to handle ships at the new pier at Point Blanche when it is completed; they are D.J. Molanus and J.P. Craane.

Mr. Molanus is a veteran seaman, with many years of experience. He is a licenced captain, and a retired pilot of Curacao. He came to the island sometime ago as an employee of Van Der Kwast Construction Company.

Mr. Craane is a native of Bonaire, who came to island in 1958 - He was the captain of the "Blue Peter for many years, in recent times he has been captain of the Hertha and at present he is captain of the tug boat.

We congratulate Mr. Molanus and Mr. Craane on their appointment and wish them much success.

WINDWARD ISLANDERS AT ARUBA TO BE BRIEFED ON ST. MAARTEN FOODS INC.

From a reliable source we learned that Mr. J.W. Thompson, President of the N.W.I.W.A. of San Nicolas, Aruba, had scheduled a meeting at the Association's Club, at San Nicolas, for January 11. This meeting was scheduled for Windward Islanders to be briefed on the St. Maarten Foods Inc. (Super-market) by one of its founders, Mr. N.C. Wathey.

Due to the fact that Mr. Wathey had to make a business trip to San Juan, Puerto Rico, around this same time the meeting had to be postponed for about a week.

PHILIPSBURG TRAFFIC TO BE CHANGED

We were informed by a reliable source that the Executive Council plans to submit a new traffic law to the Island Council to change the traffic in Philipsburg as soon as the new pier at Point Blanche is completed.

According to the present traffic regulation, motorists enter Philipsburg via the Frontstreet and leave Philipsburg via

perhaps by the tradition of slavery. Too many of us are still suffering from mental slavery. So many of us don't believe in the oxium of God treating man equal. For the benefit of those who don't believe - I will make it more plain, A wise person contains in himself every bit of the foolishness the foolish one contains, plus the attributes and characteristics of the wise one. But, his follishness is held in check by discretion, and instead of energy being blown out by caprise, it is controlled by judgement. Evidently ignorance is the only slavery.

Now wake up and become an asset to to community, state, and Government, so that we may all work with firm steps - to the August temple of Independence.
