WHO WILL BE NEXT??

As reported in our last issue, some
irregularities have taken at certain
government offices here.

In connection with the reported ir-
regularities, Mr. Nijboer, Chief of
the Criminal Investigation Depart-
ment at Curacao took a government em-
ployee (male) with him to Curacao on
Febr. 8, for interrogation.

Mr. Nijboer arrived here on Tuesday
to investigate the matter further and
on Friday he left taking with him a-
nother government employee (this time
a female) along with him to Curacao
for questioning.

The Police Dept. is still keeping
"enum" on this case - According to
reports the matter is still being in-
vestigated. The big question on al-
most everybody's mind is: WHO WILL BE
NEXT.

=====

O joy, hast thou a shape?
Hast thou a breath?
How fillest thou the soundless air?
Tell me the pillars of they house!
What rest they on? Do they escape
The victory of Death?
And are they fair
Eternally, who enter in thy house?
O Joy, thou viewless spirit, canst
thou dare

To tell the pillars of thy house?
