Statement of Purpose: The central communal organization that promotes and advances the quality and values of Jewish life in Brevard County. The Federation exists to provide an efficient umbrella organization that helps unify, anticipate, and meet the needs of our Jewish Community — based on the traditional concepts that each Jew is responsible one for another and the ideal of “Tzedakah” - righteous charity and social justice.

President's Message

Spring is in the air. While the official day of spring is March 20, here in the northern hemisphere, we Floridians can say we are already experiencing the joys of spring, pollen and all. Of course, the Jewish calendar puts Tu B'Shevat this year already in the past, on January 20. As this time of year is that of growth and rejuvenation. As a great sage, Robin Williams, once said, "Spring is nature's way of saying 'Let's Party'." It is a perfect time for me to reflect back on a wonderful event the Federation hosted just recently, February 16, our 2019 pledge drive kickoff. For those of you who attended the event, there were laughs and smiles all around while being entertained by the great Keith Barany. A night of comedy is often a great way to shrug off the Florida "winter" and get us jogging ahead, with a spring in our step. As of this writing, our pledges have exceeded twenty thousand dollars. While that sounds impressive, it is only a third of our goal, and a quarter of our stretch goal of \$80,000. If you haven't already made a pledge, now is a great time to do so.

The Federation has a great many events planned this year to bring our little community closer together, which you will see in the newsletter's calendar, as they are manifested. To be a part of the movers and shakers, I invite you to attend our volunteer luncheon March 3rd. If you have an interest in helping to guide and influence the growth of the Jewish community, you are also invited to reach out and attend a board meeting.

Speaking of seedlings, I'm excited to call out Brandon Berkowitz and Binyomin Konikov, both of whom will be celebrating Bar Mitzvahs this month at their respective synagogues. Mazel tov and I look forward to meeting these new future members and leaders of their Jewish community.

Wishing everyone a happy and healthy springtime,

David Slonim

Good battles evil in this timeless story of Biblical heroism. The righteous Jew Mordecai and the despicable Haman square off for control of the young Persian King Xerxes.

But Haman's plans include something horrible for Mordecai and his people. It is up to Mordecai's niece Esther to win the affection of the King, unmask Haman's treachery and save the Jewish people.

Based upon the Book of Esther, this delightful retelling emphasizes the values of courage, faith and obedience.

Bob Oshins passed away on January 31, 2019

Written by Michael Oshins: My dad passed away this week -in the dictionary of mensch, there is smiling photo of you. Here is his obit:

Robert Oshins resident of Melbourne, Fl and Silver Bay, Lake George, NY. Born in Brooklyn, NY on February 3, 1933, son of Harry Oshinsky and Frieda Sobolsky, both immigrants from Russia. He graduated from Brooklyn College and University of Pennsylvania's graduate program in Physical Therapy. At Brooklyn College he was on the fencing team with his lifelong friend, Edward Nober and also met and fell in love with his future wife, Natalie Bragin, also a physical therapist. One evening, after he could not find a parking spot in Brooklyn, he moved to Schenectady N.Y., where he established a private physical therapy office in Child's Hospital in Albany N.Y. He remains a life member of Congregation Agudat Achim in Schenectady where, in 1980, he started a new tradition, the Carrot Festival, which continues to be their major fundraiser to this day. Bob and Natalie raised their four children in that loving community. They sold their successful practice in 1990. Unfortunately, Bob suffered a major stroke in 1991, curtailing their plans to travel the world. As part of his rehabilitation, he took art lessons and became an accomplished artist and weaver, making the tallitot for each of his nine grandchildren when they became Bar and Bat Mitzvah. To avoid the winters, Bob and Natalie moved to Florida, eventually settling at the Fountains, a senior living facility in Melbourne. He is a member of Temple Beth Sholom and the Jewish Federation of Brevard. Bob and Natalie's house in Lake George was a source of inspiration for the many, many paintings he continued to paint until his death. It was a gathering place for not only his family and friends, but also his children's friends and friends of friends. He also loved to play bridge. This past year marked Bob and Natalie's 64th wedding anniversary. Bob was predeceased by his brother Leonard. In addition to his wife, Natalie, he leaves his children, Cary Oshins (Elizabeth Hyde) of Santa Cruz, Ca, Ellen Oshins (Marylou Impellizeri) of New York City, Michael Oshins (Alison Kur) of Newton, Ma, and Bonnie Nolan (Michael Nolan) of Chicago, Il, and nine grandchildren; Rebecca, Jacob, Samuel, Abigail, Jeremy, Zachary Oshins and Bessie, Benjamin and Jack Nolan and many nieces, nephews and other family members and friends.

Congregation Beth-El Who are we?

Congregation Beth-El is an OLD Style Conservative Congregation that continues to use the same prayer books that were bought used originally more than 30 years ago. Services are conducted evenly between Hebrew & English with Congregation participation.

The Congregation was started in people's homes as a Chavarium Group, and grew with the ideals that if you keep your bills low dues can be minimal. To do this the members were older so there was no need for a school, and a place to meet for services could be rent free or at a small fee. Next members of this new Congregation could lead the services and eliminate the need for a highly paid Rabbi (not saying we don't need Rabbis'). Congregation Beth-El was fortunate to receive not 1 but 2 Torahs that gave a life to the Congregation considering the Torahs already had a grand history that brought them to this point. A part of that history was how they were smuggled out of Europe and Great Britain to come to the United States. The great artisans of the Congregation fashioned a grand Ark that Hashem would find befitting these great Torahs. This Ark still shines in front of the Congregation as a gift from the founders of Congregation Beth-El showing their love of Judaism here on the Space Coast.

Many years ago our Congregation moved to its present location in West Melbourne, at the Universalists Unitarian church when they were moving into the facility. Both Congregations worked together to build a bima and furnish the building. Since that time we have been able to offer more to our members in the way of, "Life Event Services". We also have the ability to have community events on a grander scale. Some of these events include: Community Seder for Passover, Chanukah Party, Erev Rosh Hashanah Meal, Break the fast, Onegs', Kiddush's, etc.

With the model we have kept over the years unfortunately we have had to say goodbye to many of our members over the years. After each service we join as a family and sit and discuss what is going on in each other's lives, and in the Congregation. The fewer members we have the harder it is to assist others in our Congregational Family to fulfill religious obligations when we do not have 10 Jews present (a minyan) to allow for prayer. This also obviously makes our budget harder and harder to be able to balance. We have been able to keep our dues to less than 1/4 of the next lowest Congregation.

In this fast paced day and age many especially those in the Space Coast Area appear to once arriving to the area way too easily become unassociated or unaffiliated. This can be for many reasons and many will never do anything Jewish ever again. Some might seek solace at a time of need and at their end of time only. Others might only return to satisfy life events for elder family members. We being a smaller congregation can assist in the last 2 circumstances, and hope life's events can change the first's beliefs.

There are yet others in the communities that for one reason or another do not know we are here or believe that our congregation is no longer in existence. It is time for each and every congregant to ensure that the congregation stays alive.

Our Torahs are our greatest gift that this or any other Congregation can have. Those who received these Torahs made a grand Ark to hold them so members of the congregation could continue Judaism locally for years to come. IT is time we honor our Founders to ensure WE keep this congregation going through participation in services, and bringing in unaffiliated Jews in the community and assist in getting them involved.

Unfortunately this is not only about our small family congregation; this is about the future of Judaism. On the Space Coast it is reported that less than 1/3 off all Jews admit to being Jews or even participate in any activities remotely Jewish.

Jewish War Veterans: Walter I. Berlin Post 639

Greetings to the Jewish Community of Brevard County.

On February 12th, the Jewish War Veterans hosted their Annual Hot Dog Roast at the Viera Veterans Administration Out-Patient Clinic. We gave out about 300 hot dogs and over 200 bottles of water to veterans and staff. After that we presented a check for \$2000 to the VA Clinic Administrator, Marizza A. Moreno-Benton. A thank you goes out to Scott Wilson for coordinating this event. I want to thank George Rosenfield, Marvin Horkin, Steven Taubkin, and Lenny Shaffer for their support during this event.

Our planning meeting for the coming year will include a few more activities at the Viera VA Out-Patient Clinic, as well as our annual Poppy Drives during memorial and Veterans Day.

Our next meeting will be on Sunday, March 10th, 2019, at the Brevard Alzheimer's Foundation Center. Known as "The Club", it is located on 4676 North Wickham Road, Melbourne at 8:30 am. Come early for a nosh of bagels, lox and cream cheese, and wash it down with coffee. After this we conduct business, which includes issues here in the local community and issues from the National Jewish War Veterans. When possible we have a guest speaker come to discuss a specific topic.

The Jewish War Veterans, Post 639 is seeking new veterans-men and women alike who are interested in helping and strengthening our local community.

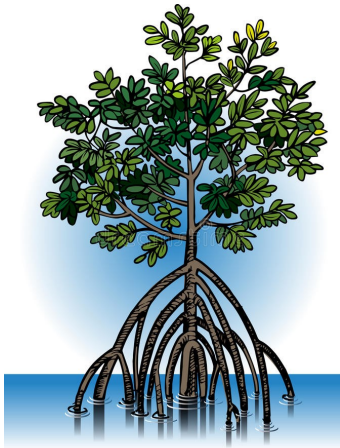

If unfortunately, a loved one in the community has passed away and is a veteran, and the family contacts us, we will render the proper military honors at the time of interment that show everyone how much the veteran's service means to our country.
