Dear Mr. Jean Poix:

It is with profound humility that The T.R. Gibson Unity and Communication Center Network submit this Seminar Network Proposal to you and the leaders of your Country's government for their consideration.

Based on the meeting Mr. W. Charles Jackson, III, Executive Director of The T.R. Gibson Unity and Communication Center Network had with you on February 25, 1986, we are proposing that The Gibson Center Network (National, International) sponsor a one day seminar in Miami to highlight areas in which the U.S. Community can work hand in hand with Haitian partners to improve the quality of life and business in Haiti.

The T.R. Gibson Unity and Communication Center Network is a division of The Theodore R. Gibson Memorial Fund, Inc., (a non-profit organization). The Gibson Center Network is funded by Government (The City of Miami), to continue the work of the late, Theodore R. Gibson, Commissioner, City of Miami, which is promoting Unity and Understanding thru Communicating and Networking Locally, Statewide, Nationally and Internationally in the areas of Health, Education, Religion, Business and Business Ventures.

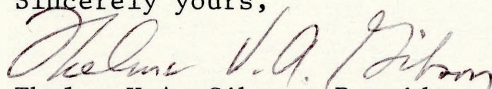

The Proposed Seminar will be conducted May 1, 1986, at one of the leading hotels in Miami. The Planning Committee for this event will include but will not be limited to the following: Representatives from The U.S. Government, The State of Florida, Dade County, The City of Miami, The Caribbean Basin Trade Center, Agency for International Development, Caribbean Central American Action, World Conference of Mayors, Greater Miami Chamber of Commerce, Miami Dade Chamber of Commerce, etc.
