THE SUCCESSFUL MAN

Have you ever asked yourself a question like this? Who is the successful man, and what is it he does that makes him victorious in all dealings.

The successful man is the man who pushes forward and continues to climb regardless of conditions. No matter what obstacle confronts him he manages to overcome it with a smile. He is not the type that is easily discouraged. He is the man that plan his work and work his plans. He is persistent, irresistible, and has a feeling that tells him that there are no benches on the road to success. His goal is forever uppermost in his mind.

In other words, this man is like a river in many ways. No matter what confronts a river it keeps on everlastingly toward its outlet. Some times it seems to cease, but if you watch closely you can readily see that it is forever moving forward. Some day it will reach its goal regardless of circumstances.

The successful man is the man who keeps on keeping on. One great and

outstanding writer said: "Success, is that which erring men calls chance".

Chance! Was it really chance or luck? Was it a "break"? No! It was due to his ability to continue everlastingly onward. He chose the proper and best way, and not the easiest way. The easiest way isn't always the best way. Whenever the elevator to success is not running, take the stairs.

Remember if you have the ability to be successful in small things you will be successful in large things. Now is the time to start. Start here while you are in the CCC. If you are successful here you will be successful when you get out. Success depends on doing your best and always keep on doing your best.

Always remember this when you undertake to reach your goal during these modern times. "PUSH PULL OR GET OUT OF THE WAY!"

SAME OLD SYMPTON

Take my temperature,
 Feel my pulse,
 Tuck me in bed and send me flowers,
 Call for a doctor,
 Bring in a nurse,
 Have them exert their healing powers.

I feel dizzy!
 My head is light!
 My heart soars up to the clouds
 and then--
 I'll take medicine,
 I'll be good,
 Surely I can be well again.

TAXATION TARNATION

A tax for this, a tax for that,
 My, how Uncle Sam can pass the hat.

Avery Powell

Congress use to speak in thousands with bated breath. Now they speak in billions with one breath.

ARMISTICE CELEBRATION GOES OVER

November 11, 1936, was a big day for members of Company 4451. This National Holiday was celebrated in such a way at this Company, until there will be quite a while before each member will forget it. Everything that would bring the spirit of good feeling was at Company 4451 on Armistice Day.

Each man had a part to play in the celebration. We had games of all kinds, such as horse shoe, Basketball, Foot-ball, and many other types of games.

At 2:00 PM a touch Foot-ball game taken place. A team, dressed in O.D. lead by Henry Hamm, played a team dressed in overalls, led by Booker T. Hill. The overall team defeated the O.D. team by a one sided score of 20-0. The passing attack of the winners were to much for the losers. The winners racked up the three touchdowns, and one safety in the early minutes of the second quarter. James Lancaster starred with his wide end runs. The game was very exciting.

Immediately after the game all visitors and friends gathered in the Recreation Hall where card games were enjoyed by all.

Later, a very good dinner was served to all guest and members.

Immediately after dinner, the crowd were invited to the Recreation Hall to see the Movies. The main feature was, "Collegiate", starring Jack Oakie Francis Langford, and Ned Sparks. All visitors seemed to be impressed very much at the newly installed picture situation.

The celebrations at 11:00 AM were very thoroughly planned, and was also worked very smoothly. The boys gave the visitors a good view of upright Military drilling.

At 9:45 PM all visitors and friends departed for their various homes.

THIRTEEN MEMBERS TRANSFERRED

November 6, 1936, brought forth the departure of thirteen men from this Company. These men were transferred to Company 4430, which is located at Woodsville, Florida. All members were very sorry to see these men go, since they had been in this Company so long.

The group that left for Woodsville were James Blye, Harold Manuel, George Sawyer, Bud Lightsey Charles Hayes, Evelio Penelver, Francis Lewis, Sidney Hankerson, David Gadsen, David Thomas, Elbridge Ingraham, James Simmons, and Joseph Harden.

C.E.A. VISITS JACKSONVILLE

Camp Educational Adviser, William H. Solomon, made a short visit to Jacksonville, on Saturday, November 7, to see the annual classic between the University of Florida Fighting Gators and the Georgia Bulldogs. He states that he enjoyed himself very much while in the city of Jacksonville.

DID YOU KNOW?

DID YOU KNOW THAT Member Booker T. Hill gets in trouble every time he goes to Madison, Fla.

DID YOU KNOW THAT the Leaders & Assistant Leaders Club is offering \$25.00 to any man who will compete with James D. Blye in an eating contest.

DID YOU KNOW THAT Jimmie Gray didn't pay Jimmie "Bingo" Mathis this payday.

DID YOU KNOW THAT a certain member cried because he thought he was to be transferred to the side Camp at Woodville. His troubles have not been reported, but I think it was due to something in Madison.

DID YOU KNOW THAT Jimmie Mathis is getting very popular in the city of Madison.

DOWN AND OUT

WILLIAM ("BING CROSBY") NELSON has come to the end of a perfect day with his great crooning ability. He is now resting easy in the Infirmary with a terrible throat ailment. Some are sorry, and some are glad. Some of the boys said he was very narrow anyway for not giving the cats, and dogs more time for their daily show.

LAUGHS FROM THE SHOWS

Manager: If we don't figure out a way to spend that one hundred and twenty million dollars we lose our jobs!
Secretary: How about a bridge over the Mississippi-- lengthwise.

How is every thing out in Kansas, Aunt Minnie?
It's so dry out there untill the trees are chasing the dogs.

And it is reported one Broadway show flopped so badly on opening

night that the third act took place in Cain's Warehouse.

NAME MY POISON

My memory's hazy
I'm not feeling bright
I wonder what made me so crazy
lastnight?

I haven't a notion
I simply cant name
Exactly what potion
Was wholly to blame.

Or was it the brandy
Or Cointreau or grape
Which made it seem dandy
To act like an ape?

Or was it the Apple
Or Scotch in its prime
That caused me to grapple
The curtains and Climb?

But memory's foggy
In fact, it's a blank
Which drink made me groggy
Of all that I drank?

They all caused a glow which
I greatly enjoyed--
But I'll never know which
I ought to avoid!

--Berton Braley.

I wonder what is the matter with Lamar Poe. He goes to town every night and still that isn't enough.

"Panther" Jones is visiting Madison every other night to see his little School girl.

William Nelson visited his home for the first time in fourteen months and then didn't stay but three hours. The C.C.C. must agree with him.

The boys are wondering when will Joe Bridges visit his home. He has not been home in thirty three months. "Panther" Jones said he is afraid he will have to dig a supply of coal when he goes to Alabama. We dont believe it Joe. Make him prove it.
