VOL. 1.

November. 18th. 1935.

#6.

In making a complete file of the "Seedling pine" for the U. of T. Library we have been unable to find the first sheet to this edition so am enclosing this much of it. We are very sorry in this but will continue our search for a whole copy which if found we will mail to you.

Respectfully yours.

The Editors and Educational Faculty.

BUSINESS COURSE

All you men who want to take a general course in practical business, meet in the Educational Office Tuesday, November 13th.

This business course includes bookkeeping, accounting, credits and collections, marketing, buying, banking and finance, etc. Anyone taking and completing this course should have a good working knowledge of business operations in general. There is no charge for this course.--Johnny F. Woods

CAPTAIN BRIDGES has gone out to Texas on a vacation. We wish him a very successful trip and enjoyable time during his week off duty.

The typing class is in shape to accommodate more members. Anyone who wants to take typing can do so now. This course is a very fine one, taught by an able man and will help any boy climb the ladder of success.

CLUB HOUSE

All necessary arrangements have been made for the building of a camp club house. This building will be used for classes, meeting place for various clubs, a quiet place to read or study, "General-Bull Sessions", etc.

In order to build this club house it is going to have to take cooperation of every boy in camp. We are going to have to build it

on Saturday mornings and in our spare time. The building is for our own pleasure and to be used by us, so let us do our part and furnish the labor.

The building is to be made with logs cut from the forest. It will have a large room and two small ones. The small rooms will be used for a radio station and a dark room for photography. The large one will be the club room.

"THIS AN' THAT"

PERSONALLY SPEAKING

Duncan, the boy from the Celery City (Sanford), sure has it bad and in a "Blonde" way. He was seen at the Carnival in Summerfield Sat. Nite with a brand new female..... "Maybe something is wrong in Ocklawaha" ? ? ? ?.

If in need of a perfect Stnog. Just call the one and only, Honorable H. W. Smith.

Doc Edwards is a funny sort of fellow he wears Boots and Spurs when he goes fishin. How about it Doc? ? ?.

Speaking of Doc Edwards reminds us that Joel Brown seems to be on the road to recovery, after having suffered a nervous breakdown. Eh Joe ? ? ? ?.

Johnny Woods "the Genial Georgian" sure can shake a wicked leg. He has a copy-right on the latest Co. 1420 Dance Tune "DO-DROP SPECIAL" and from what we can hear it is one of the seasons best hits.

Who was the young lady that visited our Camp Sunday A. M. ~~xxx~~ and made quiet a few acquaintances, knowing that a certain party was away on "business" ? ? ? ? ? ? ? ? ? ?

It is rumored in the neighboring towns that our Basketball Team is plumb poison. How about it boys ? ? ? ? We are glad to know that our team is gaining notoriety so early in the season.

Mr. Sheffer is going to lecture at our neighboring Camp, Co. 1401 to install some help into their half of the Typing Class. They need it.

It seems that Asst. Leader Sentell's bed has become one of the latest public resting places. Eh Sentell ? ? ?.

We are sure the Surveying Crew will miss the presence of their star performer, James L. (Half-Pint) Smith who went out on the Honorable Discharge route yesterday. Smith having secured a job in Ocala.

Since the Supply Room has been made smaller and more space made in the Special Duty Barracks, maybe there will be room enough for the boys to sleep---- I mean sweep, in the mornings.

Why is McGarity wearing those dark glasses---wait a minute, those are black eyes, not glasses. He's a good fighter anyway.

Our boys are partly from Ole Kentucky. They may not care much for thoroughbred horses but they sure do go for good looking women.

Basketball may be a game but we are going to make it a business---our business to win games.

It is rumored that some of the boys from North Georgia just can't take it in the cool weather of Sunny Florida. Br-r-r.

It is said that one of our boys took a late and hurried trip South Saturday night on business. Maybe it was "monkey business".

"DOPE", BASKETBALL

Basketball is still the "camp talk" and every one seems to be pleased with the showing our Team made against Anthony High School in our first game. Melrose High School disappointed everyone by calling off the game that was scheduled for last Friday Night. The game, however will be played there next Friday night and the local lads are expected to bring back the bacon. Practice is going on in good form under the guiding hand of Coach Lt. Crefton, and "Skull Practice" will be held two nights this coming week. The people in neighboring towns have already heard about our team and they are looking forward to see some exhibition of real basketball when we visit them. So lets not disappoint them one bit, and let us not forget the fact that if we put out a winning team we will have to back them to the utmost. When the team is out there playing with all their heart, just remember that it is for the good of the whole Camp; to carry on Co. 1420's name and make our Company well represented. So lets all do our best to make our team the best in the state. Some of the other Camps in the District say that they are going to have the best team in the state but our boys say that they will have to defeat us before such a statement is true.

The appearance of Myrl Shaw out for practice the past week makes the position at Center look stronger. Myrl you know happened to the misfortune of getting his back hurt in the wreck of "Old Seventeen" some few weeks ago.

The probable starting lineup for next Friday Night's game will be as follows:

<u>Name</u>	<u>Position</u>
Duncan (C).....	Right Forward
Burroughs	Left Forward
Bolden	Center
Ertzberger	Left Guard
Woods	Right Guard

"BASKETBALL CONTESTS"

Basketball stock is soaring high in Company 1420, CCC. The prospects for the coming season are good as was shown Wednesday night, Oct. 31 in Anthony.

In March we are planning to enter and win, the District Tournament which is to be held in Gainesville, Fla., for all CCC Camps in District "F". The winner of this tournament will go the Fourth Corps Area tournament which is rumored to be held in Atlanta, Ga. The winners of the various Corps Area Tournaments will then play in the National Tournament. What an opportunity for some good team.

Plans are being laid for a Basketball league for teams in District "F", if such a league is formed it is hoped that we can enter it and bring "home the Bacon" at the end of the season.

Our basketball schedule is not yet complete but we have written to a large number of CCC Camps and High Schools for games. We have not yet heard from them all but we have some definite games.

OUR TRIP TO JACKSONVILLE

After a general policing and scrubbing of the Barracks, 33 fellows left Camp at about 11:00 a.m. Sat. Nov. 11th for the Football Game in Jacksonville where Florida was playing Georgia. The driver of the Army truck was instructed to stay with the Forestry truck. Upon reaching Ft. McCoy we turned right heading in the direction of Palatka. That being the shortest route.

At Orange Springs the forestry truck stopped and the boys thereon decided to take on a bushel of apples but since the Army Truck didn't have any time to loose we proceeded on our way without them. We next passed through Johnson and a number of other villages and towns. (Contd. on Page #6) Column 1.

OUR TRIP TO JACKSONVILLE
(Contd. fr Page #5)

The Scenery was noteworthy for the many lakes, lakes and other interesting scenes. We stopped and ate our sandwiches on the other side of Orange Park or rather distributed them among the party. At about this time Capt. Bridges and Mr. McCarty came by, stopped and instructed the drivers how to proceed once they arrived in Jaz. From then on the time passed quickly. We arrived at the Stadium at about 3:15 o'clock. We had seats in the back of the East side of the field. Florida's Band was the spotlite when they came on to the field with their music and formations especially when they formed the Letter "F" with a single step march.

The game was well underway when we got situated in the stands and Florida

was holding Georgia pretty well, but the scene changed near the end of the half, for Ga. pushed over a touchdown. The game was plenty thrilling all the way through and there being a lot of Ga. boys in our crowd there was plenty of competition in yelling & cheering.

The Game & trip was enjoyed by all and it is hoped that another such trip can be promoted when the next game comes off.

Thanks to Capt. Bridges for fixing every thing up for us to get in for a low rate and making arrangement for the trip.
