

Penalty. which shall be out of order or incorrect, or which shall not balance, he, she or they shall, on conviction before the Municipal Court, be fined for every such offense in the sum of not less than five dollars.

Annual inspection. *Ib.*, Sec. 6.

SEC. 370. All weights, measures, scale-beams, patent balances, steelyards and other instruments used in weighing and measuring in the City of Jacksonville, shall be inspected and marked as hereinbefore provided at least once in every calendar year, but it shall be the duty of the Inspector to inspect the same as much oftener as he may think necessary; Provided, however, That no persons shall be required to pay any fees for more than one inspection of the same weights and measures in any one calendar year, unless said weights and measures on any subsequent inspection shall be found not conformable to the required standard.

Fees payable only once yearly if correct.

Penalty for refusal to exhibit instruments. *Ib.*, Sec. 7.

SEC. 371. No person shall refuse to exhibit any weights, measures, scale-beams, patent balances, steelyards, or other instruments used by him or her as aforesaid, to the Inspector for the purpose of being inspected and examined whenever called upon so to do, under the penalty of five dollars for each and every such offense.

Obstructing Inspector. *Ib.*, Sec. 8.

SEC. 372. No person shall in any way or manner obstruct, hinder or molest the Inspector of Weights and Measures in the performance of his duties, as hereby imposed, under a penalty upon every person of five dollars for every such offense.

*Ib.*, Sec. 9.

SEC. 373. The said Inspector shall be entitled to demand and receive the following fees for inspecting and examining weights, measures, scale-beams, patent balances, steelyards, and other instruments for weighing, actually used in the City of Jacksonville, viz:

Fees.

For every set of weights and scales, twenty-five cents.

For every set of liquid measures of one-half pint to one gallon, fifteen cents.

For every yard-stick or measure which is used in the measurement of merchandise of any kind, ten cents.

For every set of dry measures from one quart to one-half bushel, twenty-five cents.

Instruments to be made to conform to standard. *Ib.*, Sec. 10.

SEC. 374. All weights, measures, scale-beams, patent balances, steelyards and other instruments used for weighing shall be inspected at the stores and places where they shall or may be used, and in case they, or any of them, shall be found not to conform to the standard, they shall be adjusted at the owner's expense within three days after the owner thereof shall be required so to do in writing by the said Inspector under the penalty of two dollars and fifty cents for each such offense.
