

producing property shall at least monthly certify to the Comptroller the amount to be credited to it as against each other property or fund. All net profits of the waterworks, of the public building and of the electric light plant shall be, semi-annually, on the first days of May and November, paid into the account for interest and sinking fund, except that any part of the net proceeds of any of said properties may, upon the recommendation of the board having charge of the property, be authorized by a special ordinance to be used in extending, enlarging or improving the property which produces that revenue, but the net proceeds of such properties shall not otherwise be so used.

Ib., Sec. 13.
Budgets.

SEC. 648. The budgets for each department of the city government shall be submitted to the Finance Commission and shall be carefully scrutinized by the Commission before being submitted to the City Council, and shall be submitted to the City Council with such suggestions of revision and amendment as may be deemed by the Finance Commission for the best interests of the city.

Ib., Sec. 14.
Economy.

SEC. 649. The Finance Commission shall, from time to time, investigate the expenditures of each department of the city and carefully consider and report to the City Council, at least biennially in January and July, upon the practicability and advisability of economizing in expenditures and how best to effect the economies recommended.

Revenues.
Ib., Sec. 15.

SEC. 650. The Finance Commission shall, from time to time, investigate each department of the city and each source from which revenues are received, and carefully consider and report to the City Council, at least biennially in January and July, upon the practicability and advisability of increasing the revenues of the city, and how best to effect the economies recommended.

Licenses.
Ib., Sec. 16.

SEC. 651. The City Treasurer shall cause to be prepared and published quarterly statements of the names of persons and corporations who have during the preceding quarter paid city licenses, showing the amounts paid by each and for what purposes the licenses were obtained.
