

pound, and if not ransomed by the payment of five dollars within one day shall be killed.

SEC. 674. No person shall deposit or leave any melon rinds, or decayed vegetable or animal matter, or filth or offal or any kind, in or about said market. Ib., Sec. 20.  
See Sec. 695.

SEC. 675. No person shall smoke any cigar, pipe or cigarette at or about any stall, refrigerator or stand, or in any open space or passage way to or through the central market, and no person shall spit upon any stall, stand or refrigerator, or upon any post, wall or floor within or around the central market or upon the sidewalk around the market. No person shall cut, mutilate or deface, or in any way injure the market building or stalls. Ib., Sec. 21.  
Regulations.  
See Sec. 695.

SEC. 676. The Board of Public Works shall procure and have sealed, at the expense of the city, two complete sets of measures of the capacity of from one bushel down to one quart, and two complete sets of measures of the capacity of one gallon to one gill, and one complete set of scales and weights conforming to the standard of weights and measures of the State of Florida, which shall at all times be kept by the market clerk at the central market except when temporarily in use by city officials in testing weights and measures elsewhere. Ib., Sec. 22.  
Weights and  
measures.  
See Sec. 695.

SEC. 677. No person shall sell or offer for sale at retail any fresh meats, dressed poultry, fresh fish or market fruits or market vegetables within the city limits, outside the market limits, as defined in and by section 656, unless such person shall have a green grocer's license to sell the same, procured under the provisions of this ordinance, and then only during the market hours fixed by this ordinance, and only in a building constructed, maintained and furnished in accordance with the requirements of this ordinance, which buildings shall be known as "green groceries," except that producers selling fruits and vegetables grown by themselves may sell the same as, but only as, in this ordinance authorized and provided. Ib., Sec. 23.  
Green  
groceries.  
See Sec. 695.

SEC. 678. Green groceries shall have water-tight floors made of yellow pine heart plank, or of Portland cement, or of both, at least one inch in thickness, placed on a solid foundation, and shall be properly connected with the city water and sewer systems, and shall be furnished with a stall or stalls substantially similar to those in use in the central market, and with all other necessary conveniences for business, and shall be kept in thoroughly clean and sanitary condition, and subject to frequent inspection by the inspector of green groceries, the City Health Officer, Sanitary Inspector and Sanitary Patrolmen. Promptly at the close of market hours, all fresh meats, dressed poultry, and fresh fish shall be removed from the stalls or stands upon which they may have been Ib., Sec. 24.  
Requisites of  
green  
groceries.  
See Sec. 695.
