

have the necessary work done and put such premises in thoroughly sanitary condition, and the city shall promptly enforce its lien therefor.

SEC. 740. From and after the first day of October, 1900, it shall be disorderly conduct and unlawful for anyone to spit or throw hulls, peelings or other litter upon the sidewalks or upon the floors of churches, public halls, theaters, street cars or other public place over which ladies are accustomed to pass in the city. Anyone violating any of the provisions of this ordinance shall, on conviction, be fined not less than one nor more than five dollars, and in default of immediate payment of such fine shall be sentenced to work on the streets not less than two nor more than ten days.

E 41, Sec. 1,  
Sept. 22, 1900.  
Spitting, etc.,  
in public  
place.

SEC. 741. Notices shall be placed in all public places and thoroughfares.

Ib., Sec. 2.  
Notices.

#### PLACARDS, QUARANTINE, ETC.

SEC. 742. The City Health Officer shall, whenever necessary to secure the general health of the inhabitants of the city, warn all persons of the existence of epidemic or contagious diseases in houses, districts and places by the placing of flags, placards or other notices upon, at or near the infected places, and shall quarantine such districts or places whenever it shall be necessary to secure the general health of the inhabitants of the city; and any person removing, altering or defacing any flag, placard, or other notice put up by the health officer at any such house, district or place, and any person violating and breaking such quarantine and endangering the general health of the inhabitants shall, upon conviction thereof by the Municipal Court, be punished by fine not exceeding five hundred dollars or by imprisonment not exceeding ninety days.

E 62, Sec. 1,  
Mar. 9, 1901.  
Duties of  
Health Officer.

#### VACCINATION.

SEC. 743. Immediately upon the publication of this ordinance, and thereafter, when they deem necessary, the City Board of Health shall make all necessary arrangements for the vaccination or revaccination of all residents of the city as may appear to said board advisable to protect the health of the inhabitants of the city, and any and all expenses incurred for that purpose shall be paid out of the contingent fund.

E 63, Sec. 1,  
April 10, 1901.  
Preparations  
for  
vaccination.

SEC. 744. Within five days after the publication of this ordinance, and at any time thereafter, upon publication of notice by the City Board of Health, all persons within the limits of the City of Jacksonville shall be vaccinated or revaccinated with fresh
