

Samples.
Ib., Sec. 2.

SEC. 798. When requested by a sanitary inspector or police officer detailed by the health officer for the purpose of collecting samples of milk for examination, venders of milk shall furnish samples of milk in such quantities, free of charge, as may be required by the health officer.

Ib., Sec. 3, as
amended by
E 8,
Oct. 26, 1899.

SEC. 799. The test of milk sold in the city shall not be less than one hundred degrees of the lactometer, and by the use of the Babcock test shall not show less than three per cent of butter. It shall be unlawful for any person to sell or deliver, or have in his possession for sale or delivery, any impure or adulterated milk, or milk that shall register by the lactometer less than one hundred degrees at a temperature of sixty of the thermometer, or shall show by the use of the Babcock test less than three per cent of butter. Any person having or carrying upon any street or in any place where milk is kept for sale any milk in cans or vessels such as are usually kept by venders or persons supplying milk to citizens, shall be presumed to have the same in possession with intent to sell or deliver within the meaning of this ordinance.

Test.

Licenses.
Ib., Sec. 4.

SEC. 800. It shall be unlawful for any person to sell milk or expose it for sale, or to have it in his or her custody or possession with intent to sell, without first obtaining a milk license from the Recorder, and paying therefor the sum of one dollar, the same to be collected in the same way as licenses under the ordinance to provide for the assessment and collection of revenue. Each licensee shall, before engaging in the sale of milk, cause the number of his or her license to be legibly placed on each outer side of all vehicles used in the conveyance and sale of milk, and the number of such license shall correspond with that allowed by the County Board of Health.

Numbering
vehicles.

Skimmed
milk.

It shall be unlawful for any person or by his servant or as the servant or agent of any other person, to sell, exchange or deliver, or have in his or her possession or custody, with intent to sell or exchange, or expose or offer for sale as pure milk any milk from which the cream or any part thereof has been removed, and for the purposes of this ordinance upon examination, milk must show at least six per cent of cream by the galactometer.

Test of
adulteration.

In all prosecutions under this ordinance, if the milk is shown, upon analysis, to contain more than eighty-eight per cent of watery fluid, or to contain less than twelve per cent of milk solids, it shall be deemed for the purposes of this ordinance to be adulterated.

Pure water in
dairy.
Ib., Sec. 5.

SEC. 801. It shall not be lawful to sell or offer for sale in the City of Jacksonville any milk unless pure water is used for the purpose of cleansing dairy utensils, to mix feed, and water milch cows.
