

SEC. 1212. Said company, its successors or assigns, shall not shift cars, or drill or break up or make up trains or parts of trains or move to and fro any engine or car for any such purpose on or across Bay, Forsyth or Adams street, and shall not stop any train, engine or car on or across Bay, Forsyth or Adams street; and at each of the streets crossed, said company, its successors or assigns, at their own expense, shall place and maintain such gate or gates as may be required or approved by the city authorities, and an efficient watchman constantly in charge may also be required by the city authorities. This is without derogation from but in recognition of the city's right to require such different or other or further means of protection to people and property passing along such streets or other streets of the city and the company's duty to comply with such requirements at its own expense.

Ib., Sec. 8.  
Making up  
trains.

Gates.

SEC. 1213. Said company, its successors or assigns, shall, in no respect, build upon or over, or encroach upon, interfere with or obstruct any slip or waterway at the foot of any street, or use any such slip or water front to the exclusion of any person or corporation, and shall construct and maintain such and only such bulkheads, wharves or other structures along its river front as shall consist with ordinances and police regulations in that behalf, subject to change by future ordinance.

Ib., Sec. 9.  
Encroach-  
ment on slip  
or waterway.

SEC. 1214. Said railroad, from the northern boundary of the city to the river, shall be constructed and trains operated thereon within one year from the time this ordinance is adopted, and thenceforward the said line of said railroad shall be continuously operated and maintained in first-class order, subject at all times to regulations or changes now or hereafter called for by ordinance or otherwise as to noise, fire, smoke, length of trains, speed, grade, elevated tracks, viaducts and such other and further rights and powers as should be reserved for the protection of the citizens, anything in this ordinance inconsistent or to the contrary notwithstanding; and such changes shall be without expense to the city.

Ib., Sec. 10.  
Time within  
which opera-  
tions to begin.

Police  
regulations.

SEC. 1215. As a part consideration to the City of Jacksonville for the rights hereby granted to the Atlantic, Valdosta and Western Railway Company, said company shall establish and maintain in the City of Jacksonville or its immediate vicinity its operating headquarters and its principal construction and repair shops for the construction and repair of its rolling stock.

Ib., Sec. 11.  
Repair shops  
to be located  
in  
Jacksonville.

SEC. 1216. Nothing herein contained shall be so construed as to render the City of Jacksonville in anywise liable to any person for damages suffered by reason of the construction or operation of any railroad, roadbed, sidetrack, switch, branch, warehouse, pier,

Ib., Sec. 12.  
City to be held  
harmless from  
damages.
