

permission, to be granted by ordinance, for the use of any other street or part of street.

SEC. 1264. The granting of this franchise is upon the express condition that the said Jacksonville Street Railroad Company obligates itself to construct, equip and operate a first-class electric street car line, and shall use and adopt all safeguards and appliances in constructing its wires and poles and operating its line as are generally adopted and used in other cities operating similar systems; and after fifteen years from the passage of this ordinance, the Council and Mayor may, by ordinance, require and compel the said street railroad company to adopt and employ such improved methods of applying electricity as a motive power as may have become generally acknowledged and adopted by other cities as a safer and more improved method than that being used by the said street railroad company under this ordinance.

Appliances to be used.  
Ib., Sec. 13.  
See Sec. 1281.

SEC. 1265. Except as herein otherwise provided, the provisions of an ordinance entitled "An Ordinance to Regulate the Management and Operation of Street Railways within the City of Jacksonville," approved February 18, 1892, shall be in force as governing, regulating and controlling the construction, operation and use of said railway; Provided, That nothing in said ordinance or herein or elsewhere contained shall be deemed to preclude the Council and Mayor from passing and enforcing such reasonable regulations and requirements as they may deem necessary and proper.

Regulations.  
Ib., Sec. 14.  
See Secs. 1241-1242.

SEC. 1266. The cars of said company shall have the right of way on and over their said railway tracks, turnouts and switches to the exclusion of all teams and vehicles (except the fire apparatus in cases of fire) and any person who shall obstruct said tracks or any part thereof, or otherwise retard the progress of said cars, after due notice given by the car bell or whistle, or other proper signal, shall be punished by a fine not exceeding ten dollars or imprisoned not exceeding ten days.

Obstruction of tracks.  
Ib., Sec. 15.  
See Sec. 1285.

SEC. 1267. The said Jacksonville Street Railroad Company shall, within sixty days after being notified of the approval of this ordinance by the Mayor, notify the City Council, in writing, of its acceptance of the conditions and provisions of this ordinance, and shall begin the work of the necessary construction and change of its tracks and equipment within four months from the receipt of such notice of approval, and shall have the same completed and in full operation on its main line and the branches thereof by the first day of January, A. D. 1894, and shall thereafter keep the same continuously in full operation during the hours herein provided for; Provided, That in event of accident, it shall be permitted to said company temporarily to use horse

Time of operation.  
Ib., Sec. 16.  
See Sec. 1286.
