

through and along any and all and every of the streets of the suburbs of Brooklyn and Riverside where the city water mains are not at present laid, for any and every purpose whatsoever; Provided, That the city shall have free of charge the right to connect water hydrants to such pipes and to use the water furnished by said pipes free of charge, to extinguish fires in said suburbs; and provided, further, That such pipes be laid of such size and character of piping as the board in charge of extension of water mains of the city may prescribe for the service of such street in connection with the city waterworks; and further provided, That the City of Jacksonville shall have the right and power to take possession of and use such pipes and mains so laid whenever the city water supply shall be extended to such streets, paying to J. S. Price for such pipes so taken the same price as it is paying at such time for such other pipe so laid.

SEC. 1350. The said J. S. Price is authorized and empowered to makesuchexcavations and to remove such sidewalks and pavements temporarily as may be necessary for the purpose of properly laying said water pipes, mains, service pipes and connections, but is required, and it is an exaction under this ordinance that he place the streets in every case of excavation or removal of sidewalk or pavement in as good condition as it was prior to said excavation or removal, with as much speed as is practicable under the circumstances, all such work to be done under the supervision of the Board of Public Works.

Ib., Sec. 2.
Excavations.

ST. JOHNS EPISCOPAL CHURCH.

SEC. 1351. The lots of land now enclosed and in possession of the vestry of St. Johns Episcopal Church, fronting Market street, north of Duval, being two hundred and ten feet square, is and shall be held by said Church, to have and to hold forever; Provided, always, That that portion of the land which encloses the street shall be held by said Church exclusively for church and school purposes, and if diverted from that purpose, the city reserves the right to extend the street through the lots aforesaid in the same manner and width that other streets are laid out in the city.
