

## The Windle has the Most Convenient Location

**L**OCCATED, as it is, in the very center of the shopping district, gives the Windle the distinction of being the most conveniently located hotel in the City, yet the proximity of the City Hall Grounds, which are next door, eliminates the disadvantages generally associated with downtown locations.

The Windle is a modern six story fireproof hotel and is located just east of Main Street on Forsyth. It has 150 beautifully furnished rooms, modern in every respect, and it is the kind of a hotel to which you would be glad to bring your wife and family.
